Unit description This unit will equip students with the ability to analyse complex business problems from the cross-functional and multi-dimensional perspective required by general managers. The unit examines the process of formulating competitive strategy at the business level based on systematic analysis of a firm's internal resources and capabilities in conjunction with a structured examination of the various dimensions of its environment. On the basis of this analysis, appropriate strategies with which to pursue sustainable competitive advantage and strategic congruence can be developed. Topics addressed include business-level and corporate-level strategy, innovation and entrepreneurship, and dynamic strategy and game theory.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Analyse and explain the nature and scope of the strategic management process and how strategy is dependent on stakeholders and group processes.

ULO2: Critically evaluate an organisation, its strategy and its environment in terms of congruence or strategic fit.

ULO3: Apply key strategic management tools and models to synthesise complex problems in strategic management.

General Assessment Information

Late Assessments must also be submitted through the relevant submission link on iLearn. No extensions will be granted. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late (for example, 25 hours late in submission incurs a 20% penalty). Late submissions will be accepted up to 96 hours after the due date and time.

This penalty does not apply for cases in which an application for [Special Consideration](#) is made and approved. Note: applications for [Special Consideration Policy](#) must be made within 5 (five) business days of the due date and time.

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Case Study/Online Presentation</u>	60%	No	Week 7,8,11 and 12
<u>Final Online Examination</u>	40%	No	Final exam period

Case Study/Online Presentation

Assessment Type [1](#): Case study/analysis

Indicative Time on Task [2](#): 30 hours

Due: **Week 7,8,11 and 12**

Weighting: **60%**

This assignment will focus on a detailed case analysis and will include the application of many of the concepts covered in lectures. It will require extensive collaboration between group members. The assessment submission will be in the form of: 1. Initial individual response to specific questions relating to the case study. It will require a thorough written response to specific questions. This part is assessed individually and carries 30% of the overall unit mark (aka 50% of this Case Study assessment task). 2. A draft of the report and a plan for its completion; 3. A moderate sized detailed written report and; 4. A short online presentation of the key findings to the class; 5. Active participation in online class discussions from Week 4 through 13. In Week 13, all students will have the option of submitting a peer assessment. These will be used to moderate marks within the group if group contributions have not been equal.

On successful completion you will be able to:

- Analyse and explain the nature and scope of the strategic management process and

how strategy is dependent on stakeholders and group processes.

- Critically evaluate an organisation, its strategy and its environment in terms of congruence or strategic fit.
- Apply key strategic management tools and models to synthesise complex problems in strategic management.

Final Online Examination

Assessment Type ¹: Examination

Indicative Time on Task ²: 20 hours

Due: **Final exam period**

Weighting: **40%**

A three-hour online final examination, administered via iLearn, will be held during the University Examination Period.

On successful completion you will be able to:

- Analyse and explain the nature and scope of the strategic management process and how strategy is dependent on stakeholders and group processes.
- Critically evaluate an organisation, its strategy and its environment in terms of congruence or strategic fit.
- Apply key strategic management tools and models to synthesise complex problems in strategic management.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
