Unit description This unit introduces concepts and theories of management and organisations. The unit examines the planning, organising, leading, and controlling functions of management practice. It is a foundation unit for business and management roles in all industries.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Describe and apply management theories and concepts to business operation.

ULO2: Critically examine organisational and management practices.

ULO3: Analyse management challenges, problems and issues, and construct practical solutions.

ULO4: Assess the purpose and value of teamwork and working collaboratively.

General Assessment Information

Late Assessments must also be submitted through Turnitin. No extensions will be granted. There will be a **deduction of 20%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late (for example, 25 hours late in submission incurs a 40% penalty). Late submissions will be accepted up to 96 hours after the due date and time.

This penalty does not apply for cases in which an application for [Special Consideration](#) is made and approved. Note: applications for [Special Consideration Policy](#) must be made within 5 (five) business days of the due date and time.
