Unit description

This unit will allow students to undertake a research project in economics or a related area. An academic member of staff will be appointed to approve and supervise the research project, which will provide the student with an opportunity to develop skills in motivating the project, undertaking a literature review, and identification and/or development of a theoretical model. This unit is designed to be followed by ECON8098 in which the student continues and completes the research project/dissertation. A research project is expected to be approximately 8000-10,000 words for the unit.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Identify research opportunities, form challenging and coherent arguments, and write critical reviews.

ULO2: Integrate and synthesise current and seminal research papers in a specialised area of economics.

ULO3: Apply critical thinking skills in evaluating research questions and recommending appropriate responses.

ULO4: Effectively communicate research and findings effectively to a professional standard of written work and presentation skills.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

The supervisor (lecturer) of this research project will maintain communication with the student at least once per fortnight to discuss any questions the student might have about the research project and check on the student's progress. The communication will be done in person if the situation permits, otherwise it will be done via zoom or phone. The student can also email the supervisor (lecturer) any time should he/she has any questions related to the research project.

Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central \(https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central\)](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central).
