### Unit description

This Professional Experience unit will help prepare initial teacher education students for classroom teaching. Effective practice in any subject area is culturally sensitive and inclusive. Students learn more effectively when their teachers know them and how they learn. This unit develops teacher education students' ability to critically review and apply pedagogical content knowledge relating to the Australian curriculum and related syllabus documents with the focus on research-informed teaching about people and places in the History and Geography syllabuses. It requires them to synthesise current research regarding quality classroom practice to analyse and evaluate how they will teach the key concepts and skills of History and Geography in K-6 classrooms, including Aboriginal and Torres Strait Islander histories and cultures, and Asia and Australia's engagement with Asia without perpetuating stereotypes and generalisations. This unit incorporates a professional experience placement in a primary school where initial teacher education students will implement their knowledge of learning and teaching in a primary school context.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

**ULO3:** Critically reflect on the conceptual difficulties of teaching students about Aboriginal and Torres Strait Islander histories, cultures and languages.

**ULO4:** Integrate technology across History and Geography.

**ULO5:** Undertake a critical evaluation of key issues relating to the teaching for History and Geography in Primary years.

**ULO6:** Analyse and apply content and pedagogical knowledge to design effective learning experiences and meet curriculum and assessment requirements.

**ULO7:** Critique (or reflect on) one's professional practice and that of their peers.

## General Assessment Information

### Assignment extensions and late penalties

- In general, there should be no need for extensions except through illness or misadventure that would be categorised as serious and unavoidable disruption according to the University definition of same, see: <https://students.mq.edu.au/study/my-study-program/special-consideration>
- Applications for extensions must be made via AskMQ according to the Special Consideration policy. Extensions can only be granted if they meet the Special Considerations policy and are submitted via <https://ask.mq.edu.au/>. This will ensure consistency in the consideration of such requests is maintained.
- Late submissions: Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment

will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests. Late penalties are applied by unit convenors or their delegates after tasks are assessed.

- If a student is still permitted to submit on the basis of unavoidable disruption, an alternative topic may be set.
- Students should keep an electronic file of all assessments. Claims regarding "lost" assessments cannot be made if the file cannot be produced. It is also advisable to keep an electronic file of all drafts and the final submission on a USB untouched/unopened after submission. This can be used to demonstrate easily that the assessment has not been amended after the submission date.
- 

### **Requesting a re-assessment of an assignment**

If you have **evidence** that your task has been incorrectly assessed against the grade descriptors you can request a re-mark. To request a re-mark you need to contact the unit convenor within **7 days** of the date of return of the assignment and provide **a detailed assessment of your script against the task criteria**. Evidence from your assignment must be provided to support your judgements.

Note: Failed assessments cannot be re-marked as they are all double-marked as a part of the moderation process.

Please note: The outcome of a re-mark may be a **higher/lower or unchanged grade**. Grades are *standards referenced* and effort is NOT a criterion.

### **Assessment Presentation and Submission Guidelines**

Please follow these guidelines when you submit each assignment:

- Allow a left and right-hand margin of at least 2cm in all assignments.
- Please type all assignments using 12-point font and 1.5 spacing.
- All assessments must be submitted through Turnitin in .doc or .pdf format
- It is the responsibility of the student to ensure that all assessments are successfully submitted through Turnitin.
- Faculty assignment cover sheets are NOT required.

### **Draft Submissions & Turnitin Originality Reports**

- Students may use Turnitin's Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.
- Students are strongly encouraged to upload a draft copy of each assessment to Turnitin at least one week prior to the due date to obtain an Originality Report.
- The Originality Report provides students with a similarity index that may indicate if plagiarism has occurred. Students will be able to make amendments to their drafts prior to their final submission on the due date.
- Generally, one Originality Report is generated every 24 hours up to the due date.

### **Please note:**

- Students should regularly save a copy of all assignments before submission,
- Students are responsible for checking that their submission has been successful and has been submitted by the due date and time.

### **Requesting a re-assessment of an assignment**

If you have **evidence** that your task has been incorrectly assessed against the grade descriptors you can request a re-mark. To request a re-mark you need to contact the unit convenor within **7 days** of the date of return of the assignment and provide **a detailed assessment of your script against the task criteria**. Evidence from your assignment must be provided to support your judgements.

Note: Failed assessments cannot be re-marked as they are all double-marked as a part of the moderation process.

Please note: The outcome of a re-mark may be a **higher/lower or unchanged grade**. Grades are *standards referenced* and effort is NOT a criterion.

### **University policy on grading**

#### **Criteria for awarding grades for assessment tasks**

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. The following descriptive criteria are included for your information.

#### **Descriptive Criteria for awarding grades in the unit**

In order to meet the unit outcomes and successfully pass this unit, students must make a genuine attempt at all assessment tasks. Where any submitted assessment task is considered to be unsatisfactory in this regard, the highest possible final grade that can be awarded for the unit will be 45.

Students will be awarded grades ranging from HD to F according to guidelines set out in the policy: <https://staff.mq.edu.au/work/strategy-plan-ning-and-governance/university-policies-and-procedures/policies/assessment-in-effect-from-session-2-2016>

The following generic grade descriptors provide university-wide standards for awarding final grades.

Grade	Descriptor
<b>HD</b> (High Distinction)	Provides consistent evidence of deep and critical understanding in relation to the learning outcomes. There is substantial originality and insight in identifying, generating and communicating competing arguments, perspectives or problem solving approaches; critical evaluation of problems, their solutions and their implications; creativity in application as appropriate to the discipline.
<b>D</b> (Distinction)	Provides evidence of integration and evaluation of critical ideas, principles and theories, distinctive insight and ability in applying relevant skills and concepts in relation to learning outcomes. There is demonstration of frequent originality in defining and analysing issues or problems and providing solutions; and the use of means of communication appropriate to the discipline and the audience.
<b>Cr</b> (Credit)	Provides evidence of learning that goes beyond replication of content knowledge or skills relevant to the learning outcomes. There is demonstration of substantial understanding of fundamental concepts in the field of study and the ability to apply these concepts in a variety of contexts; convincing argumentation with appropriate coherent justification; communication of ideas fluently and clearly in terms of the conventions of the discipline.
<b>P</b> (Pass).	Provides sufficient evidence of the achievement of learning outcomes. There is demonstration of understanding and application of fundamental concepts of the field of study; routine argumentation with acceptable justification; communication of information and ideas adequately in terms of the conventions of the discipline. The learning attainment is considered satisfactory or adequate or competent or capable in relation to the specified outcomes
<b>F</b> (Fail)	Does not provide evidence of attainment of learning outcomes. There is missing or partial or superficial or faulty understanding and application of the fundamental concepts in the field of study; missing, undeveloped, inappropriate or confusing argumentation; incomplete, confusing or lacking communication of ideas in ways that give little attention to the conventions of the discipline.

Note: If you fail a unit with a professional experience component the fail grade will be on your transcript irrespective of the timing of the placement.

#### **Withdrawing from this PG Unit**

If you are considering withdrawing from this unit, please seek academic advice via <https://ask.mq.edu.au> before doing so as this unit may be a co-requisite or prerequisite for units in the following sessions and may impact on your progression through the degree.

Due: **04 September**

Weighting: **45%**

Write a critical evaluation of one of our most highly valued methods of teaching about other cultures - teaching children to understand others through empathy. Your evaluation must be based in the body of research literature, and you need to carefully consider issues around teaching difficult histories

On successful completion you will be able to:

- Critically reflect on the conceptual difficulties of teaching students about Aboriginal and Torres Strait Islander histories, cultures and languages.

Explain how learning from Country helps to avoid some of the dilemmas of representation.

On successful completion you will be able to:

- Demonstrate research informed knowledge and understanding of the syllabus content

and requirements of the NSW Syllabus: History and Geography.

- Implement teaching strategies informed by critical review of literature that develop students' knowledge of diverse cultures and communities, including Aboriginal and Torres Strait Islander histories, cultures and languages, and Asia and Australia's engagement with Asia.

In addition, as part of the registration of the Department of Educational Studies teacher preparation programs with the NSW Education Standards Authority, we are specifically required to collect impact data on programs. The proposed annual survey will serve the purpose of providing part of these mandatory data. Further, it will provide the Department of Educational Studies with valuable information to revise and improve the programs offered to students. Finally, you may elect to make your de-identified data available to researchers in the Department if you choose.

On successful completion you will be able to:

- Critique (or reflect on) one's professional practice and that of their peers.

## **ASSET Survey**

Assessment: ASSET Survey

Due: Varies

Weighting: 5%

Description: Completing the Annual Student Survey of Education for Teaching (ASSET) forms part of the assessment for this unit. The ASSET will provide the School of Education with a detailed understanding of our students and their experiences; including, who they are, their attitudes and beliefs about education, and how prepared they feel to work as teachers. In addition, as part of the registration of the School of Education teacher preparation programs with the NSW Education Standards Authority, we are specifically required to collect impact data on programs. The proposed annual survey will serve the purpose of providing part of these mandatory data. Further, it will provide the School of Education with valuable information to

revise and improve the programs offered to students. Finally, you may elect to make your de-identified data available to researchers in the School if you choose.

Please note that identifying data will only be held by the School of Education Research Administrator, Mridul Sood, and will not be released to the unit convenor or any academic staff in the School. Full information is available when you open the survey.

The survey is in 5 parts and you will be awarded 1% for completion of each part for each unit in which you are enrolled that includes ASSET as part of the assessment. **Please make absolutely sure that you select ALL the relevant units in which you are enrolled when completing each survey.**

After finishing each survey, you will be presented with a screen that confirms your successful submission along with a recommendation that you screenshot this confirmation. In addition, an automated emailed confirmation of completion will be sent to the email address you nominate. To minimise the risk of this email being diverted to your spam folder, please add [noreply@mq.edu.au](mailto:noreply@mq.edu.au) and [trigger@qemailserver.com](mailto:trigger@qemailserver.com) to your email white list. If you have not received the email, please check your spam folder.

**NOTE THAT EITHER THE SCREENSHOT OR EMAIL ARE SUFFICIENT EVIDENCE OF SUCCESSFUL COMPLETION IN CASE OF DISPUTE. YOU DO NOT NEED BOTH.**

Participation marks will be uploaded **AFTER** the final date for completion for each part of the survey into the Grades section of iLearn. Marks will normally be uploaded within a week of the final completion date and **an announcement will be made on iLearn when the participation marks are available.**

If your convenor allows display of marks in the Grades section of iLearn, completion of each survey will be indicated by a mark of “1” and noncompletion by a mark of “0”. If your convenor has iLearn setup to display grades only, completion of the survey will be indicated by a “HD” and noncompletion by a “F”.

If you have any difficulties accessing the survey or questions regarding participation marks, please contact the School of Education Research Administrator, Mridul Sood, at [ed\\_research@mq.edu.au](mailto:ed_research@mq.edu.au). When making enquiries please ensure that the following information is included in your email:

UNIT(S) ABOUT WHICH YOU ARE ENQUIRING:

SPECIFY YOUR ENQUIRY:

Please note the Research Administrator works part-time and during peak periods it may take up to 10 days to respond to your enquiry.

## Professional Experience Unit Placement Expectations

### Professional Experience Unit Placement Expectations

- Students must be able to present evidence of completion of the following prior to session census date (or as otherwise advised) in order to receive a placement for Professional Experience:
  - A Working with Children Check or State/ Territory equivalent
  - Anaphylaxis training (practical and online training) (school placements only). Please note that Anaphylaxis training is only current for 2 years so students will need to update this, most probably at the start of their final year
  - Child Protection online training (school placements only)

Students are responsible for ensuring that their evidence is current. Please be aware that you may need to update your training or credential during your program of study.

- A Working with Children Check or State/Territory equivalent is required by the end of Week 3 to be eligible for a placement. Students may need to withdraw from this unit if this has not been obtained in time.
- Students who are completing a unit offered by another department are expected to inform and negotiate with that unit convenor about their professional experience block dates and to discuss how that unit's requirements can be met. For some situations, it may mean that you are enrolled externally for that unit so that your attendance for tutorials for that unit is not impacted.
- Feedback from Tertiary Supervisors and/or Supervising Teachers is of a general nature. It is incumbent on the student to check the requirements of any assessments or bookwork prior to submission.
- If a Student is identified being **in need of additional support** for Professional Practice and/or Bookwork, the [Department's 'Additional Support' procedure](#) will be activated and they will not be able to withdraw themselves from this Unit.
- The timing of placements can vary. For placements early in the Session, Fail grades may be approved by the University prior to the end of Session for students who do not meet the placement expectations of the Unit.

### **Fitness to practice requirements:**

- Macquarie University operates under a 'Fitness to Practice' model as specified in the University's Academic Progression Policy. For this Unit, this means that, when undertaking a placement, a student is declaring that they are able to demonstrate professional competence, acceptable professional behaviour, freedom from impairment, and compliance with program specific requirements needed for a student to practice

properly and safely throughout their Practical, Clinical or Professional program or unit. It is the responsibility of the student to determine whether they are fit to undertake a placement. Therefore, if a student is feeling unfit to undertake a placement, they should not do so.
