Unit description

This unit is offered on a pass/fail basis. This unit is the fourth and final clinical placement unit in the MSLP. In it, students continue to build knowledge, skills, and competencies from the three previous clinical placement units (SPTH8831, SPTH8832, SPTH8833) enabling to achieve the professional entry-level competencies required for speech pathology practice in Australia. These competencies, set out in the Competency Based Occupational Standards-Entry level (2011) by the Speech Pathology Association of Australia (SPA), are the basis of the MSLP's professional accreditation by SPA. Students will attend placements and engage in clinical service delivery. Student will also engage in case discussions with clients, families and relevant professionals. Placements will provide learning experiences with a range of child and adult communication and swallowing disorders. Students will attend on campus classes that support their experiential learning.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Students will complete a clinical placement in a speech pathology workplace. Students will be

assessed using the COMPASS competency-based assessment tool. COMPASS includes two assessment points: one at the mid-point of the placement and one at the endpoint of the placement. Students complete self-assessments of competency alongside clinical educator assessments of competency. This assessment is unweighted.

On successful completion you will be able to:

- On the COMPASS tool demonstrate Entry Level Behaviours on: i) all Professional Competencies (Reasoning, Communication, Learning, Professionalism); and ii) CBOS competencies 1-7 (Assessment; Analysis and interpretation; Planning evidence-based speech pathology practice; Implementation of speech pathology practice; Planning, providing and managing speech pathology services; Professional and supervisory practice; and Lifelong learning and reflective practice).
