Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

A study of the law of contract is fundamental for any law student. In this unit students will study the foundational elements of contract law such as the formation of contract, the characterisation and interpretation of contractual terms, factors which vitiate the formation of a valid contract, the requirement for consideration, privity of contract and the discharge of contractual liabilities. Greater depth of understanding of significant issues in the historical and contemporary development of contract law is achieved through the examination and critique of competing philosophies of contract and international comparisons. Problem solving skills are also developed and tested through hypothetical problem questions. Research skills are tested with a research assignment.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Demonstrate a detailed and thorough knowledge of legal principles relating to contract law.

ULO2: Interpret and transmit knowledge, skills and concepts of contract law to specialist and non-specialist audiences.

ULO3: Analyse complex factual situations involving contract law and apply relevant legal principles to solving legal problems.

ULO4: Research, formulate, present and evaluate oral and written arguments on complex contract law problems and principles, drawing upon relevant legal authority and policy considerations.

General Assessment Information

Late Assessment Submission Penalty

Unless a Disruption to Studies request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline.

FIT TO SIT MODEL Macquarie University operates under a 'Fit to Sit' model. This means that in sitting an exam and/or in-class test or otherwise submitting an assessment (including an online quiz), a student declares themselves fit to do so. Therefore, if a student is feeling unfit to sit the exam or test, or otherwise submit the assessment (as the case may be), they should not do so. If a student sits an exam or test, or otherwise submits an assessment, knowing that they are unfit to do so, they will not be granted Special Consideration. It is the responsibility of the student to determine whether they are fit to sit an examination or test or otherwise submit an assessment, or whether a Special Consideration application should be submitted. A student's sitting an examination or test or otherwise submitting an assessment will not preclude the student from being granted Special Consideration if the student can demonstrate that: • they were unfit to make reasonable judgement on their fitness to undertake the assessment, due to mental illness or other exceptional circumstances; • they were taken ill during the assessment (in the case of an examination or test); or • other exceptional circumstances beyond their control vitiated the Fit to Sit declaration.
