Unit description

This unit surveys the history of magic from the ancient world to the present day, covering cultures from the Ancient Near East, Egypt and the Graeco-Roman world, Late Antiquity, Medieval and Renaissance Europe, down to the early modern world, as well as aspects of cognitive psychology such as perceptual illusions and delusional beliefs. It provides thorough coverage of the way magic has been defined, understood, and used in these civilisations, and the way it has been conceived and studied in the history of modern scholarship over the past two centuries. Students will focus closely on the material sources for ancient magic, especially handbooks of spells and amulets on papyrus. There will also be close consideration of the construction of magic as an antithesis to religion in the ancient and modern worlds, and a focus on the role, use, and understanding of magic in wider historical, literary, and scientific contexts.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

General Assessment Information

Marking criteria and standards

Guidelines on the criteria and standards required for assessment tasks, as well as rubrics where appropriate, will be placed on the iLearn site.

Assignment Submission

ALL written assignments must be submitted via Turnitin within iLearn.

Extensions

ALL deadlines are firm unless an extension has been requested in writing one (1) week before the due date. All requests for extensions must be submitted via ask.mq.edu.au and be supported by appropriate documentation. A penalty for lateness (see below) will apply unless a medical certificate or other written substantiation is supplied. Assignments handed in early will not be marked and returned before the due date. Always retain a copy of work you submit in case it is lost in the online system.

Late Submission Penalty

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100* will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests.
