However, the information may change or become out-dated as a result of change in University policies, procedures or rules. The University reserves the right to make changes to any information in this publication without notice. Users of this publication are advised to check the website version of this publication [or the relevant faculty or department] before acting on any information in this publication.

Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of units with mandatory on-campus classes/teaching activities.

Visit the MQ COVID-19 information page for more detail.

General Information

Unit convenor and teaching staff Carl Shen carl.shen@mq.edu.au

Credit points 10

Prerequisites Admission to MMgmt or MEngMgt

Corequisites

Co-badged status

Unit description

This unit equips students with the tools and techniques required to analyse and interpret financial and economic data and financial accounting statements, analyse and assess performance of business units, evaluate investment projects, and understand financial markets and the economic environment. Finance, accounting, and economic theory is applied with the aim of providing a coherent framework and insights to assist in making reasoned managerial decisions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Identify and describe models employed in management decision making to solve problems

ULO2: Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions

ULO3: Critically analyse the implications of a firm's decisions/strategies for a range of stakeholders in view of the firm's sustainability considerations

ULO4: Evaluate a range of business indicators to measure and track the firm's value creation

Assessment Tasks

Name	Weighting	Hurdle	Due
Unit Preparation	10%	No	Week 5
Report	50%	No	Week 11
Final Exam	40%	No	Final Exam Period

Unit Preparation

Assessment Type 1: Case study/analysis Indicative Time on Task 2: 5 hours Due: **Week 5** Weighting: **10%**

Students are to review case study materials relating to a selected organisation and submit before the first class

On successful completion you will be able to:

Identify and describe models employed in management decision making to solve problems

Report

Assessment Type 1: Report Indicative Time on Task 2: 25 hours Due: **Week 11** Weighting: **50%**

Students are required to undertake an analysis of a range of aspects of a company listed on the Australian Stock Exchange. You are required to critically assess the health of the organisation (as aligned to its stated goals and objectives) in the context of sustainability considerations

On successful completion you will be able to:

- Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions
- Critically analyse the implications of a firm's decisions/strategies for a range of

stakeholders in view of the firm's sustainability considerations

• Evaluate a range of business indicators to measure and track the firm's value creation

Final Exam

Assessment Type ¹: Examination Indicative Time on Task ²: 15 hours Due: **Final Exam Period** Weighting: **40%**

The final examination is of two hours plus (10) minutes reading time. The exam format will be closed book. More details on the exam will be provided via iLearn.

On successful completion you will be able to:

- Identify and describe models employed in management decision making to solve problems
- Apply finance, accounting and economic theories, frameworks and methods to make sound business decisions

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Writing Centre for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources
