Disclaimer
Macquarie University has taken all reasonable measures to ensure the information in this publication is accurate and up-to-date. However, the information may change or become out-dated as a result of change in University policies, procedures or rules. The University reserves the right to make changes to any information in this publication without notice. Users of this publication are advised to check the website version of this publication [or the relevant faculty or department] before acting on any information in this publication.

Notice
As part of Phase 3 of our return to campus plan, most units will now run tutorials, seminars and other small group activities on campus, and most will keep an online version available to those students unable to return or those who choose to continue their studies online.

To check the availability of face-to-face activities for your unit, please go to timetable viewer. To check detailed information on unit assessments visit your unit’s iLearn space or consult your unit convenor.

Unit description
How can disruptive strategic thinking be deployed to develop or protect competitive advantage? The most innovative and successful companies today have all managed to fundamentally disrupt and reshape existing industries, or create completely new ones. What are the strategies, business models, and technologies that lie behind this? Is the strategic thinking that is required to successfully compete in today's digital world actually different? And how could you deploy disruptive strategic thinking to reshape your own company and industry?

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Define a range of disruptive technologies and their implications on organisations and industry sectors
ULO2: Develop strategies and approaches to create innovative business models
ULO3: Apply strategic thinking and tools to evaluate the impact of new innovations and the plausibility of successfully adoption

General Assessment Information

Submission
You will submit your assessment tasks via your online unit on Coursera.

For written assessment tasks, you must submit in either PDF or Word (.doc) file types. It is your responsibility to ensure your submission is accessible. If your submission cannot be opened, late penalties will apply for submitting the correct file after the due date.

For individual submissions, please use the following naming convention for your file:

lastname-firstname-GMBAxxx-A1.*
lastname-firstname-GMBAxxx-A2.*

For group submissions, please use the following naming convention for your file:
team-number-GMBAxxx-A1.*
team-number-GMBAxxx-A2.*

-----------------------

Extensions

Please note that no extensions will be granted. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission = 20% penalty). This penalty does not apply for cases in which an application for special consideration is made and approved.

For any questions regarding your assignment submission please contact your Unit Convenor. If you would like to apply for Special Consideration please submit a request via ask.mq.edu.au

-----------------------

Formatting instructions

These instructions pertain only to written assignments. In the case of other formats (e.g., slide decks) specific formatting instructions may apply. Written assignments should be in 11 point Arial font with 1.5 line spacing. Each page of the report should be numbered and have at minimum 2.5 cm margins from the left and right edges and top and bottom of the page. The word count is strictly enforced. The actual word length of the document, not including references or appendices, should be clearly stated on the title page of the report. Written assignments should have the following structure:

1. A title page with the question, your student name and student number, word count of the text

2. The body of the report structured with paragraphs and with appropriate headings and citations, with page numbers.

3. Complete reference list of material cited in the text.

Case analysis - Disruptive project

Assessment Type 1: Case study/analysis

Indicative Time on Task 2: 10 hours

Due: 18 July 2021, 10.00pm (AEST)

Weighting: 40%

Length: max 1,500 words (excl. references) Format: Written report

Task: In this written report, you will analyse the strategies that you adopted in a run of the assigned simulation. Please refer to the section Course Resources - Assessment Information in your online unit for detailed information on this assignment as well as the marking criteria. You will be asked to submit your completed task via the Assignment submission link in your online unit.

On successful completion you will be able to:

- Define a range of disruptive technologies and their implications on organisations and industry sectors
Case analysis - Business model innovation

Assessment Type 1: Case study/analysis
Indicative Time on Task 2: 14 hours
Due: 8 August 2021, 10.00pm (AEST)
Weighting: 60%

Length: 2,500-3,000 words (excl. references) Format: Written report Task: In this written report, you will be asked to identify an industry and analyse how an innovative and potentially disruptive product or service has been implemented through business model innovation in that industry. Please refer to the section Course Resources - Assessment Information in your online unit for detailed information on this assignment as well as the marking criteria. You will be asked to submit your completed task via the Assignment submission link in your online unit.

On successful completion you will be able to:

- Define a range of disruptive technologies and their implications on organisations and industry sectors
- Develop strategies and approaches to create innovative business models
- Apply strategic thinking and tools to evaluate the impact of new innovations and the plausibility of successfully adoption

1 If you need help with your assignment, please contact:
- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Learning Skills Unit for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

**Delivery and Resources**

**Required text**

There is no required textbook for this unit. Please refer to the weekly required readings in your online unit. All readings are available via the Macquarie University library and do not need to be purchased separately.
Delivery method
This unit will be delivered entirely online via the Coursera Learning Management System. Access to a personal computer is required to access the resources and learning materials on Coursera.

Unit Schedule
For this unit, Live Events (via the web conferencing software Zoom) will take place once a week starting in Week 1 and ending in Week 6. The links to the events are available via Live Events in the online unit. Students are strongly advised to attend the Live Events. Recordings of the live events will be made available within 24 hours of the event and can be accessed via Resources in the online unit.

Attending the Live Event each week is an opportunity to engage with the unit content, your Unit Convenor and classmates. Students are encouraged to complete specified Live Event preparation learning activities prior to each scheduled Live Event in order to get the most value out of these sessions.

Please note: The teaching schedule is subject to change. Please refer to your online unit for the latest schedule.

Policies and Procedures
Macquarie University policies and procedures are accessible from Policy Central (https://policies.mq.edu.au). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- Academic Appeals Policy
- Academic Integrity Policy
- Academic Progression Policy
- Assessment Policy
- Fitness to Practice Procedure
- Grade Appeal Policy
- Complaint Management Procedure for Students and Members of the Public
Students seeking more policy resources can visit Student Policies (https://students.mq.edu.au/support/study/policies). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit Policy Central (https://policies.mq.edu.au) and use the search tool.

**Student Code of Conduct**

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: https://students.mq.edu.au/admin/other-resources/student-conduct

**Results**

Results published on platform other than eStudent, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au or if you are a Global MBA student contact globalmba.support@mq.edu.au

**Student Support**

Macquarie University provides a range of support services for students. For details, visit http://students.mq.edu.au/support/

**Learning Skills**

Learning Skills (mq.edu.au/learningskills) provides academic writing resources and study strategies to help you improve your marks and take control of your study.

- Getting help with your assignment
- Workshops
- StudyWise
- Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- Subject and Research Guides
- Ask a Librarian

**Student Enquiry Service**

For all student enquiries, visit Student Connect at ask.mq.edu.au

If you are a Global MBA student contact globalmba.support@mq.edu.au

**Equity Support**

Students with a disability are encouraged to contact the Disability Service who can provide
appropriate help with any issues that arise during their studies.

**IT Help**

For help with University computer systems and technology, visit [http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/](http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/).

When using the University's IT, you must adhere to the [Acceptable Use of IT Resources Policy](http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/). The policy applies to all who connect to the MQ network including students.
