Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of units with mandatory on-campus classes/teaching activities.

Visit the MQ COVID-19 information page for more detail.

Unit description
This unit provides an introduction to the patterns of business in East and South-East Asia, and to the key commercial institutions found therein. Unit material covers the entire region, but focuses on the People's Republic of China, South Korea, and Japan as exemplars of the economic characteristics and commercial practices in the region. Topics may include: the Korean chaebol; Chinese gufen and TVEs; management styles and practices; marketing strategies, and key business behaviours; the path to economic development taken by the Asian economies; economic problems faced by the region in the last two decades; problems and opportunities likely to be encountered in decades to come. The unit requires no prior knowledge. It may be useful to business and management students, and also fits well with the set of marketing units offered by the School.
