### Unit description

This unit provides an introduction to inclusive educational principles and practices. There is a focus on the development of key competencies in understanding the policy, principles and teacher role in inclusive education; understanding diverse learners; establishing an inclusive classroom environment; and, designing inclusive curriculum and teaching practices. Emphasis is placed on strategies that equip teacher education students to work with all students in inclusive classroom environments within early childhood, primary, and secondary settings. Focus will also be on applying differentiation within an inclusive classroom environment and being able to organise and manage a diverse inclusive classroom. The teacher education students reflect upon these skills as they complete 10 compulsory days of professional experience in a primary or secondary school setting.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## General Assessment Information

**MORE DETAILED INFORMATION ABOUT ASSESSMENTS, INCLUDING DETAILED INSTRUCTIONS AND RUBRICS, ARE LOCATED ON THE ILEARN WEBSITE.**

### Assessment Presentation and Submission Guidelines

Please follow these guidelines when you submit each assignment:

- Allow a left and right-hand margin of at least 2cm in all assignments.
- Please type all assignments using 12-point font and 1.5 spacing.
- All assessments must be submitted through Turnitin in .doc or .pdf format
- It is the responsibility of the student to ensure that all assessments are successfully submitted through Turnitin.
- Faculty assignment cover sheets are NOT required.

### Draft Submissions & Turnitin Originality Reports

- Students may use Turnitin's Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.
- Students are strongly encouraged to upload a draft copy of each assessment to Turnitin

at least one week prior to the due date to obtain an Originality Report.

- The Originality Report provides students with a similarity index that may indicate if plagiarism has occurred. Students will be able to make amendments to their drafts prior to their final submission on the due date.
- Generally, one Originality Report is generated every 24 hours up to the due date.

**Please note:**

- Students should regularly save a copy of all assignments before submission,
- Students are responsible for checking that their submission has been successful and has been submitted by the due date and time.
- It is not the responsibility of unit staff to contact students who have failed to submit assignments. If you have any missing items of assessment, it is your responsibility to make contact with the unit convenor.

**Assignment extensions and late penalties**

- In general, there should be no need for extensions except through illness or misadventure that would be categorised as serious and unavoidable disruption according to the University definition of same, see: <https://students.mq.edu.au/study/my-study-program/special-consideration>
- Applications for extensions must be made via AskMQ according to the Special Consideration policy. Extensions can only be granted if they meet the Special Considerations policy and are submitted via <https://ask.mq.edu.au/>. This will ensure consistency in the consideration of such requests is maintained.
- Late submissions: Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g., quizzes, online tests. Late penalties are applied by unit convenors or their delegates after tasks are assessed.
- If a student is still permitted to submit on the basis of unavoidable disruption, an alternative topic may be set.
- Students should keep an electronic file of all assessments. Claims regarding "lost" assessments cannot be made if the file cannot be produced. It is also advisable to keep

an electronic file of all drafts and the final submission on a USB untouched/unopened after submission. This can be used to demonstrate easily that the assessment has not been amended after the submission date.

### **Requesting a re-assessment of an assignment**

If you have **evidence** that your task has been incorrectly assessed against the grade descriptors you can request a re-mark. To request a re-mark you need to contact the unit convenor within **7 days** of the date of return of the assignment and provide **a detailed assessment of your script against the task criteria**. Evidence from your assignment must be provided to support your judgements.

Note: Failed assessments cannot be re-marked as they are all double-marked as a part of the moderation process.

Please note: The outcome of a re-mark may be a **higher/lower or unchanged grade**. Grades are *standards referenced* and effort is NOT a criterion.

**University policy on grading**

**Criteria for awarding grades for assessment tasks**

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. The following descriptive criteria are included for your information.

**Descriptive Criteria for awarding grades in the unit**

In order to meet the unit outcomes and successfully pass this unit, students must make a genuine attempt at all assessment tasks. Where any submitted assessment task is considered to be unsatisfactory in this regard, the highest possible final grade that can be awarded for the unit will be 45.

Students will be awarded grades ranging from HD to F according to guidelines set out in the policy: <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/assessment-in-effect-from-session-2-2016>

The following generic grade descriptors provide university-wide standards for awarding final grades.

## Professional Experience Unit Placement Expectations

Students must be able to present evidence of completion of the following prior to session census date (or as otherwise advised) in order to receive a placement for Professional Experience:

- A Working with Children Check or State/ Territory equivalent. For school placements this must be verified by DoE before your first placement. Complete and email: The [practicum students declaration](#) and a copy of relevant ID documents to the department's [probity unit](#) at least two weeks prior to the start date of your first professional experience placement. You will also need to present photo ID on your first day of professional experience.
- Anaphylaxis training (practical and online training) (school placements only). Please note that Anaphylaxis training is only current for 2 years so students will need to update this, most probably at the start of their final year
- Read and acknowledge agreement to abide by the [DoE Code of Conduct](#) (school placements only)
- Child Protection Awareness Training (CPAT) (school placements only) (once only)
- Mandatory Child Protection Training (school placements only) (annually)

For more details re school placement requirements see: <https://education.nsw.gov.au/teaching-and-learning/professional-learning/pre-service-teacher-resources/induction-for-pre-service-teachers/mandatory-pre-requisites-for-pre-service-teachers-participating->.

This includes completing the pre-service teacher acknowledgement: [https://education.nsw.gov.au/content/dam/main-education/teaching-and-learning/professional-learning/pre-service-teacher-resources/Document2\\_Pre-service\\_teacher\\_Acknowledgement\\_October\\_2020.pdf](https://education.nsw.gov.au/content/dam/main-education/teaching-and-learning/professional-learning/pre-service-teacher-resources/Document2_Pre-service_teacher_Acknowledgement_October_2020.pdf)

**Students are responsible for ensuring that their evidence is current. Please be aware that you may need to update your training or credential during your program of study.**

- A Working with Children Check or State/Territory equivalent is required by the end of Week 2 to be eligible for a placement. Students may need to withdraw from this unit if this has not been obtained in time.
- Students who are completing a unit offered by another department are expected to inform and negotiate with that unit convenor about their professional experience block dates and to discuss how that unit's requirements can be met. For some situations, it may mean that you are enrolled externally for that unit so that your attendance for tutorials for that unit is not impacted.
- Feedback from Tertiary Supervisors and/or Supervising Teachers is of a general nature. It is incumbent on the student to check the requirements of any assessments or bookwork prior to submission.
- If a Student is identified being in need of additional support for Professional Practice and/or Bookwork, the [Department's 'Additional Support' procedure](#) will be activated and they will not be able to withdraw themselves from this Unit.

For this Unit, this means that, when undertaking a placement, a student is declaring that they are able to demonstrate professional competence, acceptable professional behaviour, freedom from impairment, and compliance with program specific requirements needed for a student to practice properly and safely throughout their Practical, Clinical or Professional program or unit. It is the responsibility of the student to determine whether they are fit to undertake a placement. Therefore, if a student is feeling unfit to undertake a placement,

they should not do so. For more information <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/academic-progression>

### **Twice Fail Rule for Professional Experience Units**

General Coursework Rule 10(7) stipulates that if a student fails a required unit twice in an undergraduate professional program listed on Schedule 2, they may be permanently excluded from further enrolment in that program.

Students completing a double degree will be able to continue with their other degree program provided they meet the academic progression requirements of the Academic Progression Policy.

Students completing a single Education degree (such as the BEd) are advised to seek academic advice.

### **Professional Experience Unit Placement Expectations**

**To be eligible to commence the block placement component of this unit, students**

- Must have submitted all written assessment tasks and/or associated unit component requirements prior to the commencement of the block
- Must meet the participation requirements for the unit
- Students may not be able to commence their placement until all alleged academic honesty breaches have been investigated and concluded.

In order to meet the Professional Experience placement expectations of this unit, students must:
