Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

This unit aims to serve as a transition to the next stage of a student's career, whether that is entry into the workforce or pursuing further study, by providing an opportunity to reflect on and consolidate the knowledge and insight developed through their degree into a significant practical or theoretical project. According to each student's interest, the focus of the project is selected from a wide range of topics in the field of Japanese Studies (language and/or content/area studies). Students will be expected to demonstrate their knowledge via their chosen media of presentation (such as interview, written work, audio/video clips, oral presentation, translating/interpreting tasks). To successfully complete this unit, it is essential that students exercise their own initiative in managing their project.

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>
