Unit description

This unit is offered on a pass/fail basis. This unit is centred on TESOL classroom practice. It is a practical application of the content of APPL8200, APPL6000 and APPL6010. It involves learners completing classroom observation tasks, supervised practice teaching, lesson and materials preparation, reflective teaching activities, and preparation of a teaching portfolio. The majority of time is spent on site at a language teaching institution.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Reflect upon observations of language lessons taught by others and identify the main elements that enabled and inhibited successful teaching/learning to be achieved

ULO2: Conduct an initial needs assessment and create a learner group profile to facilitate the setting of lesson aims and objectives

ULO3: Apply a range of teaching strategies suitable for a particular learner group

ULO4: Plan appropriate language learning activities that support lesson aims and objectives

ULO5: Plan effective lessons in which the development of the four macro skills is taught in an integrated way

ULO6: Create motivating and engaging materials to support language learning activities

ULO7: Reflect upon language lessons they have taught and identify the main elements that enabled and inhibited successful teaching/learning to be achieved

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Preparation Activity</u>	20%	No	Week 7
<u>Observation Tasks 1-8</u>	30%	No	Week 10
<u>Portfolio</u>	50%	No	Week 14

Preparation Activity

Assessment Type **1**: Non-academic writing

Indicative Time on Task **2**: 10 hours

Due: **Week 7**

Weighting: **20%**

These are a series of tasks to be completed on iLearn from Week 1 to Week 7. They require engagement with assigned readings, analysis, evaluation, reflection and personalization of the concepts in focus and application to their own teaching context.

On successful completion you will be able to:

- Reflect upon observations of language lessons taught by others and identify the main elements that enabled and inhibited successful teaching/learning to be achieved
- Conduct an initial needs assessment and create a learner group profile to facilitate the setting of lesson aims and objectives
- Apply a range of teaching strategies suitable for a particular learner group
- Reflect upon language lessons they have taught and identify the main elements that enabled and inhibited successful teaching/learning to be achieved

Observation Tasks 1-8

Assessment Type **1**: Reflective Writing

Indicative Time on Task **2**: 20 hours

Due: **Week 10**

Weighting: **30%**

Observation Tasks fully completed with diagrams, notes taken during observations, questions

answered and reflections included.

On successful completion you will be able to:

- Reflect upon observations of language lessons taught by others and identify the main elements that enabled and inhibited successful teaching/learning to be achieved
- Conduct an initial needs assessment and create a learner group profile to facilitate the setting of lesson aims and objectives
- Apply a range of teaching strategies suitable for a particular learner group
- Plan appropriate language learning activities that support lesson aims and objectives
- Plan effective lessons in which the development of the four macro skills is taught in an integrated way
- Create motivating and engaging materials to support language learning activities
- Reflect upon language lessons they have taught and identify the main elements that enabled and inhibited successful teaching/learning to be achieved

Portfolio

Assessment Type ¹: Portfolio

Indicative Time on Task ²: 25 hours

Due: **Week 14**

Weighting: **50%**

The portfolio is a complete record of the teacher's practicum experiences and includes practicum preparation tasks, fully completed observation tasks, reports on practice teaching sessions, a practice teaching journal, lesson plans and materials, and other artefacts from the practicum.

On successful completion you will be able to:

- Reflect upon observations of language lessons taught by others and identify the main elements that enabled and inhibited successful teaching/learning to be achieved
- Conduct an initial needs assessment and create a learner group profile to facilitate the setting of lesson aims and objectives
- Apply a range of teaching strategies suitable for a particular learner group
- Plan appropriate language learning activities that support lesson aims and objectives
- Plan effective lessons in which the development of the four macro skills is taught in an integrated way
- Create motivating and engaging materials to support language learning activities
- Reflect upon language lessons they have taught and identify the main elements that enabled and inhibited successful teaching/learning to be achieved

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

The initial part of the unit is delivered via iLearn and involves students reading, completing tasks, and completing practicum preparation tasks. These are included in the practicum portfolio and may also be discussed online with other students completing their practicum.

The remainder of the unit is carried out in an approved school or college. Students also work from home to complete their portfolio.

Policies and Procedures

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: <https://students.mq.edu.au/admin/other-resources/student-conduct>

Results

Results published on platform other than [eStudent](#), (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the

University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit [ask.mq.edu.au](#) or if you are a Global MBA student contact globalmba.support@mq.edu.au

All assessment tasks must be attempted in order to pass the unit.

Requesting an extension to assignment due date

Extensions are only given in special circumstances, by the unit coordinator or the lecturer, either by email before the due date, or by completing a Special Consideration form
<https://students.mq.edu.au/study/my-study-program/special-consideration>

Late submission of assignments

If assignments are submitted after the due date without an approved extension, they are deemed late. Late submissions will receive a 5% per day penalty and will not be marked if more than 2 weeks late. Please contact the Unit Convenor if you have submitted a Special Consideration request for an extension so that your assignment is not marked down for late submission while you are waiting for the outcome.

All assignments submitted after the deadline, regardless of the reason, will be marked and returned at a date determined by the unit convenor. Extensions cannot continue beyond the start of the following semester, and students should be aware that long extensions may impact graduation dates.
