Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Delivery and Resources

TEXT & RECOMMENDED READINGS

There are no prescribed texts for this unit. However, students will be referred to the Publication Manual of the American Psychological Association (current edition). See also APA style CENTRAL, a tool designed to facilitate a mastery of APA Style. It provides tools and instructional means for creating properly formatted citations and papers while also supporting learning throughout all stages of the research and scholarly writing processes from idea generation to publication. Quick guides, tutorials, self-quizzes, sample papers, sample references, sample

tables, and sample figures are available. You can also search and browse a database of journals in the platform to identify potential publication outlets for your finished work.”
