Unit description

This unit is designed for students who wish to undertake an internship with an intercultural or international focus and is offered on a pass/fail basis. Students are welcome to contact the Faculty of Arts PACE staff to discuss whether the unit is suitable for them. This unit provides students with the opportunity to gain invaluable work experience related to their degree and develop intercultural awareness and competencies. Students intending to enrol in this unit will need to have sourced an opportunity which will allow them to develop their intercultural engagement skills, ideally within an organisation that has an international profile, mission, or structure. The internship must be organised prior to the start of the study period. Contact Faculty of Arts PACE staff (via email at arts.pace@mq.edu.au) with details of your proposed internship at least 6 weeks before the first week of the relevant session. All queries, including questions about eligibility and application requirements, should also be directed to Faculty of Arts PACE staff. Late applications will not be accepted unless there are documented extenuating circumstances preventing organisation of an internship and completion of the application process before the commencement of the relevant session of enrolment.
