#### **Session 2 Learning and Teaching Update**

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

## General Assessment Information

### Marking Rubrics

Detailed marking rubrics will be made available on iLearn. Markers in this unit undertake a process of 'blind marking' to establish a common marking standard and all Fail papers are double marked.

### Late Submission Penalty

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests

### Special Consideration

In the absence of a successful application for special consideration, any assessment task submitted after seven (7) days will not be graded and will receive a mark of zero. Applications for special consideration are made electronically via [ask.mq.edu.au](http://ask.mq.edu.au) and should be accompanied by supporting documentation. Students should refer to the Special Consideration policy for complete details of the policy and a description of the supporting documentation required.

### Word Limits

Word limits will be strictly applied and work above the word limit will not be marked.

### Assessment Submission

All assessments in the unit are to be submitted electronically. Plagiarism detection software is used in this unit.
