Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of units with mandatory on-campus classes/teaching activities.

Visit the MQ COVID-19 information page for more detail.

Unit description
This unit is for interpreting training between Mandarin Chinese and English at an advanced level. Students will learn how to apply the AUSIT (Australian Institute of Interpreters and Translators) Code of Ethics in different scenarios, such as community interpreting practice. Students will also enhance their understanding of interpreting theories and skills and be able to conduct Chinese-English dialogue interpreting and sight translation. Their inter-lingual communication skills will be further developed which will contribute to their future learning and work.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Apply inter-lingual communication skills
ULO2: Conduct Chinese English dialogue interpreting in community
ULO3: Conduct sight translation from English into Chinese
ULO4: Identify and discuss the key interpreting theories and apply enhanced analytical skills in communication via reflection on interpreting practice.
ULO5: Understand and apply the AUSIT (Australian Institute of Interpreters and Translators) Code of Ethics

General Assessment Information

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.

To be very clear:

• Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment.
• If your assignment is more than 7 days late (including weekends), you will get 0 for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University’s policy regarding Special Consideration requests before you apply:

Delivery and Resources

Delivery:
Day, Internal,

Class work: one 2-hour seminar per week

Times and Locations for seminars: Please consult the MQ Timetables Website: http://www.timetables.mq.edu.au

TECHNOLOGY USED AND REQUIRED

This unit will use:
- iLearn

Online Unit
Login is via: https://ilearn.mq.edu.au/
Is my unit in iLearn?:  http://help.ilearn.mq.edu.au/unitsonline/ to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor before the end of Week 1 if you do not have a suitable laptop (or tablet) for in-class use.

- For student quick guides on the use of iLearn go to: http://mq.edu.au/iLearn/student_info/guides.htm

Recommended:

We also expect you to develop good dictionary skills using websites like dictionary.com, dict.cn, Google Translate and similar machine translation tools are not adequate dictionaries for translation as they omit context, don't give functional examples of language in use, and often provide the wrong word if the student doesn't know what they are looking for (e.g. nouns instead of verbs).

For students who do not have a sound foundation of basic grammatical knowledge we recommend, in addition to consulting MQ Learning Skills Advisers or completing MQ grammar workshops, the following text:

*Here are also recommended readings if you wish to know more about interpreting theories:*
