Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

Foreign language education plays an important role in the increasing globalized world. Multilingual ability is thus a valuable skill in personal growth, intercultural communication and in the workforce. This Chinese Advanced-level unit further consolidates and develops students' Chinese language ability in the four areas of study: speaking, listening, reading, and writing. The unit further develops students' critical, analytical and independent learning skills, intercultural communication awareness and knowledge of Chinese society and culture. It aims to develop students' language skills towards HSK levels 4-5.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

General Assessment Information

More updates on the assessment tasks will be posted on the unit iLearn.

Students should complete all assignments and assessment tasks on time.

All written assignments are required to be submitted via Turnitin.

Late Penalties and Special Consideration

*Please note that the University and the Faculty of Arts have launched a new assessment policy effective as of 1 July 2021. This new policy particularly affects **LATE SUBMISSION OF ASSIGNMENTS**.*

The Faculty policy in relation to late assessment submissions is as follows:

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.

To be very clear:

Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment. If your assignment is more than 7 days late (including weekends), you will get 0 for your assignment. These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date. If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: <https://students.mq.edu.au/study/assessment-exams/special-consideration>
