Unit description
This unit is designed to develop skills in all areas of Japanese language (reading, writing, listening and speaking) to a higher level of proficiency. Students learn to discuss a wider range of topics as well as substantially increase their knowledge of vocabulary and kanji. This unit also focuses on further increasing students' skills in intercultural communication so that they will be able to communicate in a manner which is culturally as well as linguistically appropriate. Interactive tutorials and the use of online resources provide students with opportunities to use Japanese as much as possible.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Develop intermediate level skills in reading, writing, listening and speaking in the Japanese language.

ULO2: Identify, describe and evaluate many aspects of Japanese-speaking cultures and societies.

ULO3: Identify, evaluate and deploy the grammatical structures of Japanese at intermediate level.

ULO4: Apply relevant language conventions to create meaningful intercultural encounters.

ULO5: Demonstrate a refined awareness of language and language use, in both Japanese and in English.

No textbook is required for this unit. Seminar notes (Grammar & Kanji), seminar presentation slides, and other materials are available for downloads in iLearn.

Completion of assessment tasks will also require a computer with Japanese fonts enabled. Basic computer skills (e.g., internet browsing) and skills in word processing in Japanese and English are required.

TECHNOLOGY USED AND REQUIRED

Online Unit

Login is via: <https://ilearn.mq.edu.au/>

Is my unit in iLearn?: https://unitguides.mq.edu.au/ilearn_unit_status/ to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own

laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor **before** the end of **Week 1** if you do not have a suitable laptop (or tablet) for in-class use.
