Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

Foreign language education plays an important role in the increasing globalized world.

Multilingual ability is thus a valuable skill in personal growth, intercultural communication and in the workforce. This Chinese Intermediate level unit further consolidates and develops students' Chinese language ability in the four areas of study: speaking, listening, reading, and writing. It also develops students' critical, analytical and independent learning skills, intercultural communication awareness and knowledge of the Chinese society and culture. This unit aims at developing students' language skills towards HSK levels 3-4.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Develop comprehensive intermediate level skills in reading, writing, listening and speaking in the Chinese language.

ULO2: Identify, describe and evaluate a broad range of aspects of Chinese-speaking cultures and societies.

ULO3: Identify, evaluate and deploy a broad range of grammatical structures of Chinese

at intermediate level.

ULO4: Create meaningful intercultural encounters by applying relevant language conventions.

ULO5: Demonstrate a refined awareness of language and language use, in both Chinese and in English.

ULO6: Demonstrate the ability to recognize and write about 800 Chinese characters.

General Assessment Information

Please note that the University and the Faculty of Arts have launched a new assessment policy effective as of 1 July 2021. This new policy particularly affects **LATE SUBMISSION OF ASSIGNMENTS**.

The Faculty policy in relation to late assessment submissions is as follows:

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.

To be very clear:

- Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment.
- If your assignment is more than 7 days late (including weekends), you will get 0 for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply:

<https://students.mq.edu.au/study/assessment-exams/special-consideration>

TECHNOLOGY USED AND REQUIRED

Online Unit

Login is via: <https://ilearn.mq.edu.au/>

Is my unit in iLearn?: https://unitguides.mq.edu.au/ilearn_unit_status/ to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus, we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor **before** the end of **Week 1** if you do not have a suitable laptop (or tablet) for in-class use.
