Disclaimer
Macquarie University has taken all reasonable measures to ensure the information in this publication is accurate and up-to-date. However, the information may change or become out-dated as a result of change in University policies, procedures or rules. The University reserves the right to make changes to any information in this publication without notice. Users of this publication are advised to check the website version of this publication [or the relevant faculty or department] before acting on any information in this publication.

Notice
As part of Phase 3 of our return to campus plan, most units will now run tutorials, seminars and other small group activities on campus, and most will keep an online version available to those students unable to return or those who choose to continue their studies online.

To check the availability of face-to-face activities for your unit, please go to timetable viewer. To check detailed information on unit assessments visit your unit's iLearn space or consult your unit convenor.

Credit points
10

Prerequisites
Admission to GradCertBusPsy or GradDipBusPsy or MCTerrorism or MCrím or MCyberSecAnalysis or MIntell or MSecStrategicStud

Co-badged status

Unit description
This unit will provide students with an introductory knowledge of the role of human factors in new technologies. Practical components of the unit focus on the conduct of usability assessments in identifying andremediating issues that impede human performance.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Demonstrate knowledge by critically analysing principles and practices that underpin the application of human factors in the workplace.
ULO2: Apply and differentiate the strategies associated with identification and remediation of human performance issues in the workplace
ULO3: Prepare and undertake a usability analysis
ULO4: Undertake a critical analysis of the role of human factors in the contemporary workplace
ULO5: Propose targeted solutions to improve the relationship between human performance and technology

Students will complete a critical essay of 2500 words

Assessment Type 1: Essay
Indicative Time on Task 2: 35 hours
Due: 01/04/21
Weighting: 35%

This 2500 word assessment task involves an essay in which students will conduct a critical evaluation of the role of human factors in a domain of their choosing.

On successful completion you will be able to:

- Demonstrate knowledge by critically analysing principles and practices that underpin the application of human factors in the workplace.
- Undertake a critical analysis of the role of human factors in the contemporary workplace

Usability Analysis

Assessment Type 1: Practice-based task
Indicative Time on Task 2: 35 hours
Due: 20/05/21
Weighting: 35%

This 2500 word task involves a report which summarises the outcomes of a usability and user-experience assessment of a website.

On successful completion you will be able to:

- Demonstrate knowledge by critically analysing principles and practices that underpin the application of human factors in the workplace.
- Prepare and undertake a usability analysis
- Propose targeted solutions to improve the relationship between human performance and technology
Closed book examination

Assessment Type: Examination
Indicative Time on Task: 30 hours
Due: 31/05/21
Weighting: 30%

In class Closed book 50 minute examination of 25 short answer questions.

On successful completion you will be able to:

- Demonstrate knowledge by critically analysing principles and practices that underpin the application of human factors in the workplace.
- Apply and differentiate the strategies associated with identification and remediation of human performance issues in the workplace.

Fortnightly Quiz questions

Assessment Type: Quiz/Test
Indicative Time on Task: 3 hours
Due: 04/06/21
Weighting: 0%

Completion of the multiple choice questions associated with each video recording

On successful completion you will be able to:

- Demonstrate knowledge by critically analysing principles and practices that underpin the application of human factors in the workplace.
- Apply and differentiate the strategies associated with identification and remediation of human performance issues in the workplace.
- Undertake a critical analysis of the role of human factors in the contemporary workplace.
- Propose targeted solutions to improve the relationship between human performance and technology.

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Learning Skills Unit for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation.
Delivery and Resources

CLASSES This unit consists of alternating face-to-face and on-line classes. Where a class is delivered on-line, students will be expected to: (a) Review a 20 minute (approx.) video clip, read the relevant chapter in the textbook together with one or two additional papers, answer questions to a short, on-line quiz, and undertake any activities as directed for that week. Students are expected to attend all scheduled classes. Learning objectives and assessment activities are based on the requirements of a minimum 80% class attendance.

If there are exceptional circumstances where a session must be missed, this will need to be arranged with the unit convener in advance. Failure to do so implies a lack of professionalism.

REQUIRED AND RECOMMENDED TEXTS AND/OR MATERIALS

Required readings include chapters from the textbook, and readings listed in the Topic Notes

Policies and Procedures

Macquarie University policies and procedures are accessible from Policy Central (https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- Academic Appeals Policy
- Academic Integrity Policy
- Academic Progression Policy
- Assessment Policy
- Fitness to Practice Procedure
- Grade Appeal Policy
- Complaint Management Procedure for Students and Members of the Public
- Special Consideration Policy (Note: The Special Consideration Policy is effective from 4 December 2017 and replaces the Disruption to Studies Policy.)

Students seeking more policy resources can visit the Student Policy Gateway (https://students.mq.edu.au/support/study/student-policy-gateway). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

If you would like to see all the policies relevant to Learning and Teaching visit Policy Central (https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central).

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of
Results

Results published on platform other than eStudent, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au or if you are a Global MBA student contact globalmba.support@mq.edu.au

Student Support

Macquarie University provides a range of support services for students. For details, visit http://students.mq.edu.au/support/

Learning Skills

Learning Skills (mq.edu.au/learningskills) provides academic writing resources and study strategies to help you improve your marks and take control of your study.

- Getting help with your assignment
- Workshops
- StudyWise
- Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- Subject and Research Guides
- Ask a Librarian

Student Enquiry Service

For all student enquiries, visit Student Connect at ask.mq.edu.au

If you are a Global MBA student contact globalmba.support@mq.edu.au

Equity Support

Students with a disability are encouraged to contact the Disability Service who can provide appropriate help with any issues that arise during their studies.

IT Help

For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University’s IT, you must adhere to the Acceptable Use of IT Resources Policy. The policy applies to all who connect to the MQ network including students.
