Unit description

The unit aims to evaluate the assurance engagement and other audit and assurance issues in the context of best practice and current developments. It covers the legal and regulatory environment and professional and ethical considerations, including professional liability, procedures in practice management, together with quality control and the acceptance and retention of professional engagements. The unit also covers the process of auditing of financial statements, including prospective financial information, due diligence and forensic audit. The current issues and developments as they relate to the provision of audit-related and assurance services are also covered.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Recognise the legal and regulatory environment and its effect on audit and assurance practices.

**ULO2:** Demonstrate the ability to work effectively on an assurance or other service engagement within a professional and ethical framework.

**ULO3:** Assess and recommend appropriate quality control policies and procedures in practice management and recognise the auditor's position in relation to the acceptance and retention of professional appointments.

**ULO4:** Identify and formulate the work required to meet the objectives of audit and non-audit assignments and draft suitable reports on assignments.

**ULO5:** Evaluate findings and the results of work performed by critically applying the International Standards on Auditing.

**ULO6:** Apply the current issues and developments relating to the provision of audit and assurance related services.

## General Assessment Information

### Submission of assessment tasks

All applicable text based assessments must be submitted through Turnitin. It is the student's responsibility to ensure that work is submitted correctly prior to the due date. No hard copies of assessments will be accepted and only Turnitin records will be taken as records of submission.

Should you have questions about Turnitin or experience issues submitting through the system, you must inform unit staff by emailing us. If the issue is technical in nature may also lodge OneHelp Ticket, refer to the [IT help page](#).

It is the responsibility of the student to retain a copy of any work submitted. Students must produce these documents upon request. Copies should be retained until the end of the grade appeal period each term. In the event that a student is asked to produce another copy of work submitted and is unable to do so, they may be awarded zero (0) for that particular assessment task.

Note that applications for [Special Consideration](#) must be made within five (5) business days of the due date and time of an assessment task.

<sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

## Delivery and Resources

### Unit delivery

Students are required to attend a weekly 3 hour online seminar (commencing in Week 1). There are also online learning resources that students are required to engage with to complement the weekly seminar.

Seminars will be held in an interactive format designed to facilitate further students' understanding and ability to apply concepts covered in learning resources to practical cases. Students will be expected to come to seminars prepared and willing to participate in exercises.

The timetable for classes can be found on the University web site at: <http://www.timetables.mq.edu.au/>

### Required texts and/or materials

Students are required to purchase two texts published by BPP Learning Media:

- ACCA Advanced Audit and Assurance (International) Workbook ISBN 9781509782949 published 02/2020
- ACCA Advanced Audit and Assurance (International) Practice and Revision Kit ISBN 9781509783991 published 03/2020

Students are also expected to read relevant standards and guidance which are available online at <https://www.iaasb.org/>, <https://www.ethicsboard.org/> and <https://www.ifrs.org/issued-standards/list-of-standards/>.

Additional readings and resources will be made available on the unit iLearn site as required.

### Technology Used and Required

Students will need access to a personal computer and the internet to attend seminars and to review and complete learning activities and resources, including assessment details and notices from the ACCG8145 iLearn site, as well as to complete and make submissions for the assessment tasks in this Unit.

Further information on any specific technology requirements will be made available on the unit

iLearn site.

The unit iLearn can be found at: <http://iLearn.mq.edu.au>.

You are strongly encouraged to regularly visit the website to check for important announcements and use it as a resource to enhance your learning experience.

### What is required to complete this unit satisfactorily

Students are required to achieve an overall pass for the unit to achieve a passing grade in this unit. Students are expected to be independent learners who assume personal responsibility for their learning and take a pro-active approach to addressing any deficiencies in their understanding of the course material through independent research and inquiry and consultations with peers and instructors as appropriate.
