## General Assessment Information

### Internship/PACE Activity

MMCC3150 is a PACE unit, which is intended to provide students with hands-on experience as part of their undergraduate studies. In order to fulfil the requirements of this unit, students must undertake a 45hour (minimum) internship/PACE activity working under supervision.

All placements must be approved by the University before students can proceed. Placements must be completed within semester dates (unless Early Commencement has been approved).

At the end of their placement, students must submit a Log Sheet that indicates they have completed this minimum 45hour activity, which is signed off by their supervisor. This Log Sheet is due in Week 14 (further details on iLearn).

Further resources and information about doing PACE in the Faculty of Arts can be found [here](#).

### Late Penalty and Special Consideration

Unless a [Special Consideration](#) request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests.

Please note: Extensions and late penalties will be applied per 24hour period. I.e. If the original deadline was Monday 5pm and the student received 2 days extension, the assessment will then be due on Wednesday 5pm. This is to help prepare students for employment contexts.

Students with a pre-existing disability/health condition or prolonged adverse circumstances may be eligible for ongoing assistance and support. Such support is governed by other policies and

may be sought and coordinated through [Campus Wellbeing](#) and Support Services.
