Unit description

This unit introduces the theory and practice of ancient art with particular reference to ancient Egypt and the Near East. Topics to be explored include understanding the notion of "art" as applied to the archaeological and cultural contexts of ancient non-western cultures, understanding contemporary methodological and ethical issues in the study of art history and developing basic skills necessary for artistic analysis and interpretation. Material studied will include monumental and domestic architecture, sculpture, ceramics, metalwork, glyptic, and literary arts.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Outline the status and purpose of ancient art in the context of history, religion, politics and changes in social and cultural dynamics in the societies of ancient Egypt and

the Near East.

ULO2: Evaluate the main methods of analysing and interpreting ancient Egyptian and Near Eastern art from antiquity to present day.

ULO3: Outline the methodological and ethical issues associated with the study of ancient art.

ULO4: Describe, compare and analyse an ancient artefact and apply terminology, a method and methodological approach appropriate to art historical examination
ULO5: Find, analyse and critique primary and secondary sources pertaining to the study of ancient Egyptian and Near Eastern visual culture, illustrating sound skills in research, and an ability to present the information in a written and oral format

General Assessment Information

To pass this unit, you must complete all the assessments and have received an overall mark of at least 50.

ASSIGNMENT SUBMISSION

All written work must be submitted **through the iLearn website**. Please upload your assignment to the drop-box for the relevant week. Save your assignment as a pdf or a Word file. All assignments must include the following:

- · Student name
- · Student ID
- Assessment task or question
- Word length (not including bibliography or footnotes)

Written work will be returned via the Turnitin tool on the iLearn unit site, and will include feedback from the marker. Information about how to submit work online can be found on the iLearn unit.

The online quizzes and final test will be undertaken using the Quiz tool on the iLearn unit site.

MARKING RUBRICS

All written assessment tasks will be graded using a rubric, which can be found on the iLearn unit site.

RELEASE OF RESULTS

The convenors will aim to return your assignments within 3 weeks of the due date. Results can be viewed via iLearn using the Gradebook tool.

EXAMINATIONS

There is no formal examination in this unit.

FINAL MARKS

Please note with respect to the marks you receive for work during the session: that the marks given are *indicative only*. Final marks will be determined after moderation. See the note on Results in the Policies and Procedures section below.

PENALTIES

- Unless a Special Consideration request has been submitted and approved: (a)

 a penalty for lateness will apply two (2) marks out of 100 will be deducted per day for
 assignments submitted after the due date;(b) no assignment will be accepted more than
 seven (7) days (incl. weekends) after the original submission deadline; and (c)
 no late submissions will be accepted for timed assessments e.g. quizzes, online tests.
- Written assessment tasks submitted that are under or over the word length by more than 15% will be penalised with a 10% deduction.
- Written assessment tasks submitted without proper referencing (e.g., no bibliography, omission of page numbers, etc), will be marked according to the Macquarie University Plagiarism Policy and the schedule of penalties.

EXTENSIONS AND DISRUPTION TO STUDIES

- Important: The convenors are unable to approve extensions. Extensions can only be granted by applying for Special Consideration through ask@mg.
- · Extensions will only be approved in exceptional cases.
- If you must ask for an extension, please lodge a request for Special Consideration before the deadline, not on the due date.

EXTENSION REQUEST PROCEDURE

The granting of extensions is subject to the University's Special Consideration Policy: https://staf f.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/special-consideration

Disruption to Studies

If you require an extension, you must submit a 'Disruption to Studies' Notification. Please follow the procedure below:

- 1. Visit https://ask.mq.edu.au and use your OneID to log in.
- 2. Select your unit code from the drop down list and fill in your relevant details. Note: A notification needs to be submitted for each unit you believe is affected by the disruption.
- 3. Click "Submit form".
- 4. Attach supporting documents by clicking 'Add a note/attachment', click 'browse' and navigating

to the files you want to attach, then click 'submit note' to send your notification and supporting documents.

5. Please keep copies of your original documents, as they may be requested in the future as part of the assessment process.

Please ensure that supporting documentation is included with your request. **Notify the convenors via the iLearn dialogue box if you are submitting a 'Disruption to Studies' Notification.** Your request will be considered once all the documentation has been received. If you have problems, please contact the convenors via the iLearn dialogue tool immediately.

Delivery and Resources

UNIT REQUIREMENTS AND EXPECTATIONS

This unit will be taught following a <u>flipped classroom model</u>, in which students first gain exposure to new material outside of class via reading and watching recorded lectures, and then the tutorial time is used to do the harder work of assimilating that knowledge.

¹ If you need help with your assignment, please contact:

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

This unit is comprised of 2 key elements:

- 1. 3 hours of **instruction** (1-2 hours of pre-recorded lectures and 1 hour tutorials delivered either on campus or online via Zoom);
- 2. and individual study and preparation.
 - Students are expected to attend all tutorials, unless there are extenuating circumstances. A log will be taken to record attendance.
- Pre-recorded lectures will be available on the iLearn site before the week they are
 due. Students are expected to have watched the videos and completed the required
 lecture and tutorial readings <u>before</u> attending their scheduled tutorial.

WEEKLY SCHEDULE

iLearn will play a pivotal role throughout the session and it will be your central hub for information and instructions. Each week will be structured as follows:

BEFORE TUTORIALS | Preparation

- Step 1 | Lecture preparation
 - Watch the pre-recorded lectures and complete the required lecture readings in preparation for the weekly online guiz
- Step 2 | Tutorial preparation
 - Complete the tutorial readings before attending class (available on iLearn)

DURING TUTORIALS | Knowledge Building

- Step 3 | Engage with your peers
 - Participate in group discussions and class activities

AFTER TUTORIALS | Consolidation

- Step 4 | Consolidate your knowledge
 - Complete the weekly online quiz based on the required readings and the lecture.
