Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of units with mandatory on-campus classes/teaching activities.

Visit the MQ COVID-19 information page for more detail.

### Unit description

Sales is an important function in any commercial organisation. Within organisations, salespeople play a crucial role in aligning their organisation's offerings with customers' needs, and in maximising value creation for both the customer and the selling firm. Moreover, to keep up with today's empowered buyers in both B2B and B2C contexts, salespeople need to personalise the entire sales experience to meet the buyer's wants. This unit develops students' knowledge of theories and concepts underpinning the planning and operationalisation of a firm's sales. It also focuses on developing students' knowledge of personal selling, addressing the critical analysis and application of sales tactics. Students will develop communication skills necessary for successful sales.
