Unit description

Qualitative insights provide organisations with an in-depth perspective of emerging market trends and novel consumer behaviours. Organisations use qualitative insights to better engage and deliver value to their customers, identify new opportunities and fuel their competitive advantage.

This unit equips students with knowledge of the role, theory and methods used in qualitative research. Students will develop skills in qualitative research design, data collection and analysis, including the use of different software packages. Students will also learn how to interpret and translate results to deliver strategic insights, and effectively deliver their findings through both oral and written communication.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Apply qualitative research skills and analytic techniques to derive marketing and consumer insights.

**ULO2:** Critically evaluate qualitative approaches, theories and techniques in deriving research insights.

**ULO3:** Demonstrate sustainable thinking to create coherent and theoretically rigorous arguments to address marketing problems.

## General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in [iLearn](#). No extensions will be granted unless an application for [Special Consideration](#) is made and approved. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: Further information on submitting an Application for Special Consideration can be found at <https://students.mq.edu.au/study/my-study-program/special-consideration>

## Assessment Tasks

Name	Weighting	Hurdle	Due
<a href="#">Practice-Based Task</a>	40%	No	Week 2 to Week 13
<a href="#">Qualitative Analysis</a>	45%	No	Week 10
<a href="#">Video Presentations</a>	15%	No	Week 13

### Practice-Based Task

Assessment Type <sup>1</sup>: Practice-based task

Indicative Time on Task <sup>2</sup>: 15 hours

Due: **Week 2 to Week 13**

Weighting: **40%**

Various practice-based tasks will be given throughout the semester. Some of these are take-home tasks, others are to be completed during the workshops. They might include completion of worksheets, hands-on practices etc. There will be minimum four random collections of those tasks. Each task is worth 10%.

On successful completion you will be able to:

- Apply qualitative research skills and analytic techniques to derive marketing and consumer insights.
- Critically evaluate qualitative approaches, theories and techniques in deriving research

insights.

- Demonstrate sustainable thinking to create coherent and theoretically rigorous arguments to address marketing problems.

## Qualitative Analysis

Assessment Type <sup>1</sup>: Qualitative analysis task

Indicative Time on Task <sup>2</sup>: 20 hours

Due: **Week 10**

Weighting: **45%**

This is an individual assessment that involves conducting qualitative analysis using NVivo on the data generated in the online focus groups , interpreting results and writing a summary of the insights gained. Specific instructions and marking guide will be provided on iLearn. NVivo analysis and 1,000 word results summary

On successful completion you will be able to:

- Apply qualitative research skills and analytic techniques to derive marketing and consumer insights.
- Critically evaluate qualitative approaches, theories and techniques in deriving research insights.

## Video Presentations

Assessment Type <sup>1</sup>: Presentation

Indicative Time on Task <sup>2</sup>: 10 hours

Due: **Week 13**

Weighting: **15%**

This is a group assessment task that involves creating a video presentation examining a sustainability challenge facing the world today by identifying reasons why the issue has not been solved and providing innovative ways marketing can address the problem. 50% will be assessed on individual contribution and 50% based on the group presentation. Specific instructions and marking guide will be provided on iLearn.

On successful completion you will be able to:

- Apply qualitative research skills and analytic techniques to derive marketing and consumer insights.

- Demonstrate sustainable thinking to create coherent and theoretically rigorous arguments to address marketing problems.
- 

<sup>1</sup> If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

<sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
