Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

This unit will enable students to attain the key legal skills (legal research, reasoning, and writing; applying precedent; statutory interpretation; and legal problem solving) and to acquire the foundational legal knowledge (Australia legal institutions; legal theory; comparative legal systems; parliamentary process; role of the judiciary) necessary for further study in law. This unit will challenge students to apply their skills and knowledge to examine a contemporary socio-legal issue through a collaborative group project. Students will also engage in reflective practice.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://students.mq.edu.au/important-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Define, describe and relate sources of legal norms and foundational elements of the Australian legal system.

ULO2: Apply principles of academic honesty and rules for correct legal citation.

ULO3: Apply principles of statutory interpretation and the doctrine of precedent to interpret primary legal sources (case law and legislation) for the purpose of deriving legal rules and principles.

ULO5: Locate relevant primary and secondary sources through legal research using online databases, library resources and internet sources.

ULO6: Analyse legal problems in their broader social context

General Assessment Information

Further instructions for each assessment task are available on the unit's iLearn page.

Students are advised that all assessments in this unit are 'hurdle' assessments, which means that each assessment task must be completed at a Satisfactory level (to the standard prescribed for each assessment task) in order to pass this unit as follows:

- Quizzes for Task 1 must achieve a score of 100% correct.
- All criteria set out in the grading rubric for Task 2 (Core Skills Assignment) must be ticked off as Satisfactory.
- Legal Research Quizzes (Task 3) and Foundations of Law Quiz (Task 6) must each achieve a minimum score of 75% correct.
- Tasks 4 (group wiki) & 5 (group presentation) must each achieve a result of Satisfactory for both individual contributions to group work and collective work as assessed by the tutor against grading criteria.

The deadline for submission of supplementary work where students have failed to demonstrate learning outcomes to achieve a hurdle requirement will be one week following the above deadline for online quizzes (Tasks 1, 3 and 6) and two weeks from the return of written work (Task 2). Students who fail to achieve a satisfactory result for Tasks 4 and/or 5 will receive instructions on supplementary at the end of the teaching period.

In cases where students fail to complete one assessment task at a Satisfactory level (provided that they have made genuine attempts at both initial and supplementary work on that task), the Convenor may provide one further opportunity to reattempt the task or carry out supplementary work in order to achieve the required learning outcome(s). The Convenor will base this decision on a review of the student's work across the unit in consultation with the student's tutor(s) and/or marker(s).

The Faculty of Arts Late Submission Policy requires that: "Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven (7) days (incl. weekends) after the original submission deadline." No late submissions will be accepted for timed assessments – e.g. quizzes, online tests. Please note that this rule applies to the due date of applicable assessment tasks in this unit; the rule does not apply to a subsequent deadline prescribed for an assessment task for the purpose of completing supplementary work or re-attempts of online quizzes in order to satisfy hurdle requirements.

This unit is ungraded and will not count towards a student's LAWS WAM (Weighted Average Mark in LAWS units) . Students will be awarded 'Satisfactory' or 'Fail' at the end of the unit.
