Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

Planning is a professional practice and this unit is designed to assist students develop skills for a career in the planning profession. The unit requires students to prepare a substantial and well researched report in response to a Brief issued by a hypothetical planning agency. The student will prepare a work plan, apply knowledge of planning systems to a particular issue, and respond to the expressed requirements of the hypothetical client. In undertaking this work the student will apply research skills, identify and confront ethical issues, and practice writing for a non-specialist audience.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Prepare a detailed project outline in response to a planning Brief and document the key steps in its execution

ULO2: Apply research skills to contemporary planning issues

ULO3: Exercise problem-solving, critical, analytical and integrative thinking skills in the field of planning

ULO4: Communicate findings in written forms for diverse audiences

ULO5: Apply skills in self-management, personal judgement and initiative
