Unit description
This unit serves as a broad introduction to archaeology, where students become familiar with its fundamental principles and concepts. Students will study the emergence of archaeology as a discipline, its purpose and aims. This unit will provide students with a foundation in the various methods and analytical techniques used to study archaeological evidence by using a combination of theory and practical case studies drawn from all periods of archaeology. Students will explore the various ways of interpreting archaeological remains, taking into account the multidisciplinary nature of the discipline.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Acquire knowledge of the archaeological discipline
ULO2: Analyse source material, including archaeological records, ancient sources, and modern scholarship
ULO4: Communicate archaeological information and concepts through oral, visual and written formats
ULO3: Identify fundamental developments, theories and techniques of archaeology
ULO5: Demonstrate critical thinking in reading of the literature and interpretation of the data

**General Assessment Information**

**Unit Requirements and Expectations** Students must achieve an overall mark of 50% or above to complete this unit satisfactorily.

**Assignment submission** All written work must be submitted through the iLearn website. Please upload your assignment to the drop-box for the relevant week. Save your assignment as a pdf or a doc file (a pdf is best; please do not use docx). All assignments must include the following at the start: Student name; Student Number; Assessment Task Title or Question. Any assignment submitted without these will not be marked. All written assignments will be returned via the ‘turnitin’ tool on the iLearn Unit site, and will contain feedback from the marker within them.

**Extensions and Special Considerations** If you anticipate any difficulty in attending class for a scheduled test it is important that you contact us as early as possible. Please avoid asking for extensions as missing deadlines complicates the work of markers and puts you behind. If you have to ask for an extension or the opportunity to reschedule the date of a test please request it before the deadline, and only request the extension if you face serious crises that can be documented in some way (e.g. with a medical certificate). ‘Getting behind with your work’ or ‘I ran out of time’ are not excuses.

**Special Consideration Policy:** [https://students.mq.edu.au/study/my-study-program/special-consideration](https://students.mq.edu.au/study/my-study-program/special-consideration)

**Applying for Special Consideration:** Students applying for Special Consideration circumstances of three (3) consecutive days duration, within a study period, and/or prevent completion of a formal examination must submit an on-line application with the Faculty of Arts. For an application to be valid, it must include a completed Application for Special Consideration form and all supporting documentation. The online Special Consideration application is found at: [https://students.mq.edu.au/study/my-study-program/special-consideration](https://students.mq.edu.au/study/my-study-program/special-consideration) Extensions can only be granted in exceptional cases and may only be sought in consultation with the unit convenor and with support of documentary evidence. If you anticipate any difficulty in meeting assigned due dates then it is important that you contact the course’s convenor as early as possible. Please avoid asking for extensions as missing deadlines complicates the work of markers and puts you behind. If you have to ask for an extension, request it before the deadline, ‘Getting behind with your work’ or ‘I had other deadlines’ do not count.

**Late Assessment Penalty** Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per
