| Unit description |  |
| This unit provides insights into five broad aspects of management systems: environment of management; organisations and their behaviour; management of human resources; project management and control; contracts; assessment; control and quality management; training; documentation and industrial relations legal issues; and management responsibility. From a practical perspective the unit involves examining new venture start-ups with high-tech industrial and commercial domains, with students working in groups on a business plan. The unit is aimed at students with a background that is typically technical although this is not essential. |
Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Demonstrate leadership skills to co-ordinate a team of people to deliver a useful and valuable product or service or launch a new business venture.

ULO2: Demonstrate an understanding of individual personalities and communication styles and how this impacts interpersonal interactions and team motivation and performance.

ULO3: Both provide and accept critical analysis and constructive criticism for continuous improvement in deliverables and demonstrate social learning and problem based learning skills.

ULO4: Apply the different elements that are needed to successfully build and operate an effective team, organisation and business e.g. marketing, operations, financials and control.

General Assessment Information
Late submission:
Late submission of individual work will incur a 10% penalty for every 24 hours, or part thereof, it is late. So within 24 hours, the maximum mark that can be obtained is 90% of the full grade for that assessment task; between 24 and 48 hours, the maximum mark that can be obtained is 80% of the full grade; and so on. No extra documentation is required unless the student wishes to have an extension (see below) applied.

Late submissions of group based assignments are not permitted unless under exceptional circumstances with documentary evidence provided to the unit convenor which may include medical certificates as per the Department of Computing policy. One person being sick does not mean the group cannot submit work. Students are recommended to have a backup plan for group based submissions.

**Delivery and Resources**

Each week you should attend up to 3 hours of lectures and tutorial. For details of days, times and rooms consult the [timetables webpage](https://unitguides.mq.edu.au/unit_offerings/139706/unit_guide/print).

*Do not buy earlier editions as the quiz questions in particular will directly relate only to the 8th edition.*

The [eBook version](https://unitguides.mq.edu.au/unit_offerings/139706/unit_guide/print) is available online for $60. This represents a convenient way to acquire the textbook for class workshops, assessments and the final exam.

All lecture slides will be available from [iLearn](https://unitguides.mq.edu.au/unit_offerings/139706/unit_guide/print). Audio from the lectures will be available via the Echo360 system with links from the unit’s iLearn home page.
All assignments are accessed from iLearn and submitted through iLearn. Assignments 1 and 2 are Turnitin assignments, submitted through iLearn, but sent to Turnitin for plagiarism checking. Students should allow up to 24 hours to receive Turnitin feedback reports.

**Website and access to unit material:**
The web page and content for this unit can be found at iLearn: [https://ilearn.mq.edu.au/login/index.php](https://ilearn.mq.edu.au/login/index.php). Note that the unit content is not publicly available and requires for you to log in to access.

When using the University's IT, you must adhere to the Acceptable Use of IT Resources Policy. The policy applies to all who connect to the MQ network including students.

Changes from Previous Offering
Prof. Jian Yang replaces Dr. Ian Krycer as co-lecturer on the unit.

Tutorials are now one hour (not two) in duration from 2021.

Standards
Four standards, namely HD, D, CR, P summarize as many different levels of achievement. Each standard is precisely defined to help students know what kind of performance is expected to deserve a certain mark. The standards corresponding to the learning outcomes of this unit are given below.

If you are given a second opportunity to sit the final examination as a result of failing to meet the
minimum mark required, you will be offered that chance during the same supplementary examination period and will be notified of the exact day and time after the publication of final results for the unit.
