Unit description

To be successful, organisations must develop value-creating marketing strategies and implement them. The core determinant of marketing strategy is the identification of promising target markets and the development of differential competitive advantage and clear positioning. Most importantly, marketing leaders must focus on developing marketing as a strategic partner within organisations.

This unit develops students' knowledge of the process of designing competitive marketing strategies. It focuses on how to identify and develop higher-order objectives and on the role of organisational factors such as culture, strategic orientation and important aspects of market analysis in designing competitive marketing strategies.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Analyse and evaluate theories and concepts related to marketing strategy.

ULO2: Identify and evaluate the impact of organisational factors and market forces on

designing marketing strategy.

ULO3: Develop higher-order objectives relevant to marketing strategies.

ULO4: Design competitive marketing strategies.

General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in [iLearn](#). No extensions will be granted unless an application for [Special Consideration](#) is made and approved. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: Further information on submitting an Application for Special Consideration can be found at <https://students.mq.edu.au/study/my-study-program/special-consideration>

Assessment Tasks

Name	Weighting	Hurdle	Due
Case Study Analysis	30%	No	Week 7
Strategic Marketing Project	50%	No	Week 9
Class Activities	20%	No	Week 10

Case Study Analysis

Assessment Type ¹: Case study/analysis

Indicative Time on Task ²: 18 hours

Due: **Week 7**

Weighting: **30%**

The case study will assess students' ability to analyse a case, marshal their thoughts and ideas, and communicate them in written form (2,000 words). The aim is to apply theory to solve the case and defend solutions to the case questions.

On successful completion you will be able to:

- Identify and evaluate the impact of organisational factors and market forces on designing marketing strategy.

Strategic Marketing Project

Assessment Type ¹: Project

Indicative Time on Task ²: 27 hours

Due: **Week 9**

Weighting: **50%**

Group component: 20-minute presentation: approx. 15 slides per group, with each group member preparing 3-4 slides. Individual component: individual analysis submission, including additional information in notes view.

On successful completion you will be able to:

- Develop higher-order objectives relevant to marketing strategies.
- Design competitive marketing strategies.

Class Activities

Assessment Type ¹: Participatory task

Indicative Time on Task ²: 10 hours

Due: **Week 10**

Weighting: **20%**

In specified weeks, students prepare and present solutions to assigned discussion questions and problems to demonstrate their theoretical understanding of important aspects of marketing strategy.

On successful completion you will be able to:

- Analyse and evaluate theories and concepts related to marketing strategy.
- Identify and evaluate the impact of organisational factors and market forces on designing marketing strategy.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

Intensive mode of delivery (purely online) via Zoom.

We have provided material in the iLearn unit (case studies, articles, and video links) as a resource for you. These materials comprise compulsory and recommended resources.
