Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description

Strategic marketing management is the driving force of successful firms. The task of competitive marketing strategy is to develop, maintain or defend a firm's competitive position. Competitive marketing strategy must be well-designed to assist a firm to effectively position its products against competitors and gain sustainable market advantages. This unit focuses on developing students' knowledge and skills to manage the firms' strategic marketing activities to sustain performance. The unit equips students with the ability to work in teams to assess marketing assets and to plan and allocate them to different marketing activities. This unit advances student ability to collaborate with colleagues to develop ethical, data driven marketing strategies for different products/services in diverse market segments.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Evaluate and select strategic marketing activities that sustain a firm's performance.

ULO2: Assess marketing assets and allocate them to different marketing activities.

ULO3: Design and apply ethical, data driven marketing strategies for different products/ services in diverse market segments.

ULO4: Develop teamwork skills and abilities.

General Assessment Information

Late submissions of assignments

Sometimes unavoidable circumstances occur that might prevent you from submitting an assignment on time and, in that case, you may be eligible to lodge a [Special Consideration request](#).

Unless a [Special Consideration request](#) has been submitted and approved, please note that no extensions to assignment deadlines will be granted. Assignments that are submitted late will attract a late penalty:

1. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late.
2. No assignment will be accepted more than 72 hours after the due date and time (incl. weekends) after the original due date.
3. No late submissions will be accepted for timed assessments (e.g., quizzes, online tests) or for tasks with a weighting of 10% or less of the total unit assessment.

Assessment Tasks

Name	Weighting	Hurdle	Due
In class activities	20%	No	Week 2 to Week 11

The project allows you to develop marketing strategies that solves a marketing problem that a business encounter. You will be given a business case to work in a group and individually. You are required to apply marketing concepts and theories and develop strategies that help the business to solve their problem. You have to provide a 2000 $\pm 10\%$ words group report, worth 50% of the marks available for this task, together with a 20 minute group presentation where you will be marked individually for 50% of the marks available for this task.

On successful completion you will be able to:

- Evaluate and select strategic marketing activities that sustain a firm's performance.
- Assess marketing assets and allocate them to different marketing activities.
- Design and apply ethical, data driven marketing strategies for different products/services in diverse market segments.
- Develop teamwork skills and abilities.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

Your learning experiences in this Unit - and your expected commitment

To be successful in this unit, you must:

- **Read** all materials in preparation for your workshops, and follow up each with further study and research on the topic;
- **Start** your assessment tasks well ahead of the due date;
- **Read and listen** to all feedback carefully, and use it in your future work;
- **Attend and engage** in all timetabled learning experiences as follows:
 - **Timetabled:** 1 x 2 hour workshop per week
 - **Not timetabled:** 1 hour of directed learning each week (you will be directed and guided by the teaching team on iLearn or in workshops to learning activities that you will have to self-manage and complete outside of classes each week)

ALL STUDENTS NEED TO NOTE that we use an **activity-based teaching and learning approach** in this unit. What this means is that you will need to participate fully in the workshops which will be based around activities you will be doing. To be an effective and enjoyable learning experience you **MUST PREPARE AND COMPLETE** all readings and tasks before your workshops.

Changes from Previous Offering

- Revision of assessment tasks to highlight the application-based and collaborative nature of learning
- Increased development of a blended learning approach in the unit, which combines online learning materials and opportunities with traditional place-based methods. This student-centered approach enables students to have greater control over the time, place and pace of their learning
