Unit description

Marketing is the coordinated and integrated efforts of an organisation to satisfy relevant customer needs and achieve organisational goals. It involves a systematic process whereby opportunities are identified and marketing practices are implemented. New techniques, tools and technologies are constantly being adopted by marketers, leading to a new marketing environment that demands greater efficiency and effectiveness to market products, services and brands. This unit develops students’ knowledge of marketing concepts and frameworks. Students will develop skills to apply marketing concepts to address marketing issues. Students will also learn to apply marketing concepts to analyse marketing activities of a product/service.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

- **ULO1**: Explain the concepts and principles which underpin the discipline of marketing.
- **ULO2**: Analyse and apply marketing concepts in dealing with practical marketing issues.
- **ULO3**: Apply marketing concepts to analyse marketing activities of a product/service.
General Assessment Information

Late submission of assignments

Sometimes unavoidable circumstances occur that might prevent you from submitting an assignment on time and, in that case, you may be eligible to lodge a Special Consideration request.

Unless a Special Consideration request has been submitted and approved, please note that no extensions to assignment deadlines will be granted. Assignments that are submitted late will attract a late penalty:

1. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late.
2. No assignment will be accepted more than 72 hours after the due date and time (incl. weekends) after the original due date.
3. No late submissions will be accepted for timed assessments (e.g., quizzes, online tests) or for tasks with a weighting of 10% or less of the total unit assessment.

Participatory Task
Assessment Type 1: Participatory task
Indicative Time on Task 2: 10 hours
Due: Week 1 to week 13
Weighting: 20%
In-class tasks completed during weekly workshops are to reinforce your learning and give you the opportunity to share your theoretical and practical knowledge of marketing concepts, principles and issues. There will be four random collections across the session. Each task is worth 5%.

On successful completion you will be able to:

- Explain the concepts and principles which underpin the discipline of marketing.
- Analyse and apply marketing concepts in dealing with practical marketing issues.

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Learning Skills Unit for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

**Delivery and Resources**

**TEACHING DELIVERY**

The unit is purely online delivery. It will include in a combination of pre-recorded weekly lectures (1.5 hours) and online weekly workshops (1.5 hours).

Students are expected to be active and engaged learners, contributing fully to workshop activities and discussions.

Students need to listen to the pre-recorded lectures, read in advance of workshop sessions, complete preparatory work including weekly online quizzes, and be prepared to work in small groups and discuss the materials assigned each week.

The lecture slides and recordings will be posted on iLearn on a weekly basis. Students will need to complete the weekly online quizzes before they can access the seminar materials.

**SATISFACTORY COMPLETION OF UNIT**

Students are required to accumulate at least 50% of the total marks possible in order to satisfactorily pass this unit.

**TECHNOLOGY USED & REQUIRED**
The course will make use of iLearn and email for communication with the teaching staff and between students.

Students will need access to a reliable Internet service to complete this unit.

Software required: e.g., Word processing, PowerPoint, video/media player, Adobe Acrobat Reader.

Use of a PC, laptop or smart device is required to complete tasks on iLearn, to access iLearn for course materials, and to read the textbook.

REQUIRED AND RECOMMENDED TEXTS AND/OR MATERIALS
