Unit description

This double unit (equivalent to two units) helps students integrate, synthesise and practically apply the knowledge and skills gained over the course of their studies. Students will research and apply established theories to develop a proposed solution to a selected business issue, in the context of a real-world organisation.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Identify and apply theoretical frameworks, tools and techniques acquired throughout the core units relevant to a project in order to support strategic options and recommendations.

ULO2: Develop and present a project solution and report which is persuasive and grounded in academic literature and proven research methodologies.

ULO3: Apply problem solving skills, both as an individual and as part of a team, to communicate solutions.

ULO4: Reflect and report on the knowledge gained throughout the project both in terms of technical skills and broader graduate capabilities, including dealing with complexity,

ambiguity and resilience challenges.

General Assessment Information

Late Assessment Policy:

Late Assessments must also be submitted through Turnitin. No extensions will be granted. There will be a **deduction of 10%** of the total available marks made from the total awarded mark for each **24 hour period** or part thereof that the submission is late (for example, 25 hours late in submission incurs a 40% penalty). Late submissions will be accepted up to 96 hours after the due date and time.

This penalty does not apply for cases in which an application for [Special Consideration](#) is made and approved. Note: applications for [Special Consideration Policy](#) must be made within 5 (five) business days of the due date and time

Professional Self Reflection

Assessment Type ¹: Project

Indicative Time on Task ²: 10 hours

Due: **Week 2**

Weighting: **10%**

Students will partake in a series of tasks that involve writing about and considering their own journeys to date.

On successful completion you will be able to:

- Identify and apply theoretical frameworks, tools and techniques acquired throughout the core units relevant to a project in order to support strategic options and recommendations.

Consulting Report & Teamwork Assessment

Assessment Type ¹: Report

Indicative Time on Task ²: 60 hours

Due: **Part A - Due Week 7; Part B - Due Week 9**

Weighting: **40%**

This task has two parts. Part A entails developing a group consulting written report (20%) of up to 5,000 words. Part B is an individual task. You will keep a journal that records and responds to the challenges of being in a team (20%).

On successful completion you will be able to:

- Identify and apply theoretical frameworks, tools and techniques acquired throughout the core units relevant to a project in order to support strategic options and recommendations.
- Develop and present a project solution and report which is persuasive and grounded in academic literature and proven research methodologies.
- Apply problem solving skills, both as an individual and as part of a team, to communicate solutions.
- Reflect and report on the knowledge gained throughout the project both in terms of technical skills and broader graduate capabilities, including dealing with complexity, ambiguity and resilience challenges.

Professional Self Reflection

Assessment Type ¹: Project

Indicative Time on Task ²: 10 hours

Due: **Week 10**

Weighting: **10%**

Students will utilise their initial reflection piece to produce a closing analysis of their management journey.

On successful completion you will be able to:

- Reflect and report on the knowledge gained throughout the project both in terms of technical skills and broader graduate capabilities, including dealing with complexity, ambiguity and resilience challenges.

Group Consulting Presentation

Assessment Type ¹: Practice-based task

Indicative Time on Task ²: 60 hours

Due: **Part A: TBA in first lecture; Part B - Due Week 10**

Weighting: **40%**

This task has two parts. Part A entails delivery of the group's findings. This involves a Presentation and Q & A session (20%). Part B is an individual task. You will submit a video of up to 5 minutes that showcases your presentation skills and preparation for the client presentation (20%).

On successful completion you will be able to:

- Identify and apply theoretical frameworks, tools and techniques acquired throughout the core units relevant to a project in order to support strategic options and recommendations.
- Develop and present a project solution and report which is persuasive and grounded in academic literature and proven research methodologies.
- Apply problem solving skills, both as an individual and as part of a team, to communicate solutions.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
