However, the information may change or become out-dated as a result of change in University policies, procedures or rules. The University reserves the right to make changes to any information in this publication without notice. Users of this publication are advised to check the website version of this publication [or the relevant faculty or department] before acting on any information in this publication.

#### **Session 2 Learning and Teaching Update**

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of [units with mandatory on-campus classes/teaching activities](#).

Visit the [MQ COVID-19 information page](#) for more detail.

Unit description This unit enables students to understand and analyse the powerful discourse of strategic management, drawing upon research across the fields of management, organisation studies, and strategy to examine the discipline. Strategic management is addressed in terms of its economic, social, political, and ethical effects in today's organisational world. Specifically, the unit aims to develop a capacity to think strategically about an organisation and its macro environment, industry environment, and competitive position.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Critically assess the nature and origins of strategic management concepts and theories.

**ULO2:** Identify and analyse strategic issues in a management context.

**ULO3:** Apply tools of strategic management to address contemporary management issues and challenges.

## General Assessment Information
