Unit description
This unit introduces concepts and theories of management and organisations. The unit examines the planning, organising, leading, and controlling functions of management practice. It is a foundation unit for business and management roles in all industries.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Describe and apply management theories and concepts to business operation.
ULO2: Critically examine organisational and management practices.
ULO3: Analyse management challenges, problems and issues, and construct practical solutions.
ULO4: Assess the purpose and value of teamwork and working collaboratively.

General Assessment Information
Late Assessments must also be submitted through Turnitin. No extensions will be granted. There will be a deduction of 20% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission incurs a 40% penalty). Late submissions will be accepted up to 96 hours after the due date and time.
This penalty does not apply for cases in which an application for Special Consideration is made and approved. Note: applications for Special Consideration Policy must be made within 5 (five) business days of the due date and time.
