Unit description
Today, the competitive business world needs people who can bridge the gap between theory and practice. Businesses need marketers who can integrate their knowledge and consolidate their skills essential in designing and implementing marketing research projects to understand market behavior and develop useful marketing strategies. This unit develops students’ ability to apply marketing theory to practice through solving a marketing problem for a Client Partner. This unit focuses on identifying factors which influence the competitive positioning of a firm within an industry and to achieve an ethical, socially responsible, and sustainable competitive advantage.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Identify factors that influence the competitive position of a firm.
ULO2: Synthesise a range of perspectives on marketing strategies in practice to identify and effectively communicate potential solution/s.
ULO3: Reflect on team processes that enable industry analysis, assessment of marketing opportunities and the development of potential solution/s.
ULO4: Reflect on ethical considerations in marketing contexts.

General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in iLearn. No extensions will be granted unless an application for Special Consideration is made and approved. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: Further information on submitting an Application for Special Consideration can be found at https://students.mq.edu.au/study/my-study-program/special-consideration

• the Learning Skills Unit for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

The unit is comprised of:

• One recorded Zoom Lecture per week that is to be viewed prior to attending your tutorial plus

• 13 x 2 hour tutorials in weeks 1 to 13.

Note in weeks 9, 10, 11 and 12, there will be time allowed for consultations and group work on your projects.

• Students are required to form groups in Week 1 of session. It is therefore important that, once students are enrolled in a tutorial students should remain in that particular tutorial, as changing would be disruptive to fellow students. It also means you MUST be in attendance at week 1 tutorial.

• Students are expected to arrive on time, and not leave until the class ends.

• Mobile phone must be turned OFF!

The timetable for classes can be found on the University web site at: http://www.timetables.mq.edu.au/

Group Work

Group work is an inherent requirement for completing this unit satisfactorily.
