Unit description
Social media networks provide a dynamic, interactive, and cost-effective platform that helps marketing managers to tackle contemporary marketing challenges. The applications of social media enable marketers to co-create marketing content, co-develop and share stories that stimulates and encourages consumer engagement with the firm. The widespread use of social media has driven businesses, regardless of their size and scope, to adopt social media marketing in their marketing activities.
This unit will develop students’ knowledge about social media marketing as a contemporary approach to market a business through ongoing interactions with the consumers. The unit will focus on developing students’ skills to critically evaluate organisations’ social media marketing, and the effectiveness of the social media activities and campaigns. The unit will develop students’ ability to create a social media campaign to market new products/services, or to reinforce existing products/services.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

UL01: Discuss and apply social media marketing theories and activities to interact with
the consumers

**ULO2:** Critically evaluate the effectiveness of organisations’ social media marketing, activities, and campaigns
