Unit description
Business today is increasingly confronted with the need to participate in and manage a real-time digital environment. Marketers are expected to adopt digital mindsets and be fluent with digital business strategies. Such understanding and skills help them to take advantage of digital technologies to gain a competitive advantage. This unit develops students’ knowledge and skills in digital marketing. The unit focuses on the key concepts and frameworks used in digital marketing strategy, implementation and practice. Attention is given to the use of contemporary digital marketing applications in value creation, customer acquisition, customer retention and development.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Explain and apply the theories and concepts underpinning digital marketing
ULO2: Apply skills and capabilities required for marketing in the digital age
ULO3: Design digital marketing strategies to launch and grow a digital business
General Assessment Information

Late assessment submissions must also be submitted through the appropriate submission link in iLearn. No extensions will be granted unless an application for Special Consideration is made and approved. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

Note: applications for Special Consideration Policy must be made within 5 (five) business days of the due date and time.

Practice-Based Task

Assessment Type 1: Practice-based task
Indicative Time on Task 2: 25 hours
Due: Week-2 to Week-13
Weighting: 30%

Four practice-based assessment tasks will be given throughout the semester. Some of these are take-home tasks, others are to be completed during the workshops. Students must submit a total of three (3) tasks for grading. Each task is worth 10%.

On successful completion you will be able to:

• Explain and apply the theories and concepts underpinning digital marketing
• Apply skills and capabilities required for marketing in the digital age
• Design digital marketing strategies to launch and grow a digital business

Competitive Analysis Report

Assessment Type 1: Report
Indicative Time on Task 2: 25 hours
Due: Week-6
Weighting: 30%
This is an individual assessment wherein students must complete a written competitive analysis report (2,000 words). Students’ in-depth understanding of the competitive landscape will inform their digital marketing strategies in the group projects (Assessment 3).

On successful completion you will be able to:

- Explain and apply the theories and concepts underpinning digital marketing
- Apply skills and capabilities required for marketing in the digital age

Project

Assessment Type: Project
Indicative Time on Task: 25 hours
Due: Week 11/12/13
Weighting: 40%

The project is designed to provide students with insights into how marketing technologies, tools, and applications can be used to develop digital marketing strategy. This assessment includes: 1) Building a Project Website (Group: 15%), and 2) Video Recorded Presentation with supporting materials (15 minutes, Individual: 20%, Group: 5%).

On successful completion you will be able to:

- Explain and apply the theories and concepts underpinning digital marketing
- Apply skills and capabilities required for marketing in the digital age
- Design digital marketing strategies to launch and grow a digital business

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Learning Skills Unit for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
Delivery and Resources

TEACHING AND LEARNING STRATEGY
The unit is delivered in a combination of lectures and workshops. Students are expected to be active and engaged learners, contributing fully to workshop activities and discussions. Learning activities include individual and group tasks that are to be completed during private study and in the workshops.

Classes & Requirements

- **Lecture contents:** Pre-recorded lecture contents will be uploaded to iLearn every week. On selected weeks, there will be guest lectures by industry speakers. These sessions will be live via Zoom and will be recorded. More information will be available on iLearn.

- **Workshop:** 6 x 2 hours alternate week workshops. Workshops are available in either on-campus (face-to-face) or online delivery. The workshop contents are the same but the learning & teaching strategy might differ across the two delivery modes. To ensure that all workshops run smoothly, students who have registered for on-campus workshops are expected to attend all six workshops on-campus (unless for COVID-related restrictions). Likewise, online students will attend all six workshops online.

- **To complete this unit satisfactorily,** students must attend all six (6) scheduled workshops, starting in Week-2 or Week-3 (Please check your timetable carefully). Attendance will be taken in class.

- The timetable for classes can be found on the University web site at: http://www.timetables.mq.edu.au

- Students are expected to complete preparatory work before attending workshops, actively participate in workshops, be prepared to work in small groups and complete the tasks assigned in each workshop.

- Students are expected to arrive on time and not to leave until the workshop ends.

Recommended Materials

There is no prescribed textbook for this unit. Students are strongly encouraged to read widely in the area of Digital Marketing and to particularly use the internet as a powerful source of research in this subject. Other recommended materials include:

Journal of Interactive Marketing. Online Access via Macquarie University Library.
