Session 2 Learning and Teaching Update

The decision has been made to conduct study online for the remainder of Session 2 for all units WITHOUT mandatory on-campus learning activities. Exams for Session 2 will also be online where possible to do so.

This is due to the extension of the lockdown orders and to provide certainty around arrangements for the remainder of Session 2. We hope to return to campus beyond Session 2 as soon as it is safe and appropriate to do so.

Some classes/teaching activities cannot be moved online and must be taught on campus. You should already know if you are in one of these classes/teaching activities and your unit convenor will provide you with more information via iLearn. If you want to confirm, see the list of units with mandatory on-campus classes/teaching activities.

Visit the MQ COVID-19 information page for more detail.

Unit description

This unit gives students workplace experience and professional development skills to position them to better succeed in securing employment and manage their future careers. Students undertake a placement in an organisation under the guidance of a workplace mentor/ supervisor and with the support of professional and academic University staff. The unit links the workplace experience to academic theory and research to maximise the benefits of both. Assessment tasks are integrated with a range of individual and interactive learning activities. Students will gain experience of the Australian workplace environment and the ability to self-manage future professional development of generic skills and specialist knowledge. The unit contributes to the development of graduate capabilities in critical, analytical and integrative thinking and professional and personal judgement and initiative.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Develop professional skills in the workplace.

ULO2: Manage personal contribution to an organisation.

ULO3: Evaluate the application of academic learning in the workplace.

ULO4: Manage professional learning through reflective practice and the application of research.
