Unit description
Marketing is a vital component to the success of any business. In a dynamic and competitive world, where consumers’ preferences are changing rapidly, marketing helps a business gain insights into customers and how to create value that is unique and relevant for customers, the business, and society as a whole. Marketing ensures that value is communicated and delivered effectively to customers in order to generate sustainable profit. Thus, it is critical to understand the role, the contribution, and the process of marketing within an organisation. The focus of this unit is on developing students’ knowledge of key marketing concepts and the marketing process in an organisation. Students will develop the skills to make strategic and tactical marketing decisions, and analyse the impacts of these decisions and their potential outcomes. Further, the unit will help students build the capabilities to apply the marketing concepts and tools to plan the marketing strategy and activities of a new business.

### General Assessment Information

Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time.

No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

**Table 1: Penalty calculation based on submission time**

<table>
<thead>
<tr>

<th>Penalty (% of available assessment task mark)</th>
<th>Example: for a non-timed assessment task marked out of 30</th>

<td>&lt; 24 hours</td>
<td>10%</td>
<td>10% x 30 marks = 3-mark deduction</td>

<td>20% x 30 marks = 6-mark deduction</td>
</tr>
<tr>
<td>48-72 hours</td>
<td>30%</td>
<td>30% x 30 marks = 9-mark deduction</td>
</tr>
<tr>

**Special Consideration** To request an extension on the due date/time for a timed or non-timed assessment task, you must submit a Special Consideration application. An application for Special Consideration does not guarantee approval.

The approved extension date for a student becomes the new due date for that student. The late submission penalties above then apply as of the new due date.
