Unit description

This unit is designed for students who wish to undertake an internship with an intercultural or international focus and is offered on a pass/fail basis. Students are welcome to contact the Faculty of Arts PACE staff to discuss whether the unit is suitable for them. This unit provides students with the opportunity to gain invaluable work experience related to their degree and develop intercultural awareness and competencies. Students intending to enrol in this unit will need to have sourced an opportunity which will allow them to develop their intercultural engagement skills, ideally within an organisation that has an international profile, mission, or structure. The internship must be organised prior to the start of the study period. Contact Faculty of Arts PACE staff (via email at arts.pace@mq.edu.au) with details of your proposed internship at least 6 weeks before the first week of the relevant session. All queries, including questions about eligibility and application requirements, should also be directed to Faculty of Arts PACE staff. Late applications will not be accepted unless there are documented extenuating circumstances preventing organisation of an internship and completion of the application process before the commencement of the relevant session of enrolment.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: critically reflect on the development of Graduate Capabilities in relation to personal and professional development during the course of the internship.

ULO2: demonstrate awareness of the cultural, political, and/or social context in which the internship host is located, by creating a report analysing these contextual factors.

ULO3: demonstrate, through analytical reflection in assessment tasks and through effective completion of internship tasks, a range of cross-cultural communication skills.

ULO4: apply the knowledge acquired through University study to real life situations such as those experienced in the internship.

ULO5: apply professional competencies relevant to the internship, including cross-cultural skills and problem-solving skills, in a professional environment.

General Assessment Information

Please note that due dates above are for placements which start by week 1 of the session. If your placement starts after the first day of week 1, please contact the convenor to organise new due dates for your assessment tasks.

LATE SUBMISSION OF ASSESSMENTS

Please note that the University and the Faculty of Arts have launched a new assessment policy effective as of 1 July 2021. This new policy particularly affects LATE SUBMISSION OF ASSESSMENTS.

The Faculty policy in relation to late assessment submissions is as follows:

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.

To be very clear:

- Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment.
- If your assignment is more than 7 days late (including weekends), you will get 0 marks for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: <https://students.mq.edu.au/study/assessment-exams/special-consideration>
