| Unit description | This unit provides an off-campus, work-integrated learning experience in a health-related context. Placements may be undertaken in a range of areas (such as health policy, planning, promotion, research, service development, advocacy, and education) and across a range of sectors (such as government, non-profit, community-based, industry, and professional organisations). Students may complete an organisational project during their placement, such as researching and writing a report on a specific issue, or are involved in the delivery of service provision. As far as possible, placements are arranged in accordance with each student's background, skills, experience, professional and academic interests, and career aspirations. |

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

## Learning Outcomes

On successful completion of this unit, you will be able to:

- **ULO1**: Plan, negotiate and produce a project management plan.
- **ULO2**: Gather, organise, analyse and synthesise the background information.
- **ULO3**: Distinguish and apply appropriate communication modes, verbal and written for key stakeholders.
ULO4: Judge and implement appropriate personal contribution to workplace teamwork.

ULO5: Generate and monitor self management plan in relation to e.g. time management, problem solving, communication with supervisor.

ULO6: Critique, review and reflect on the process of the placement, the health or community issue and the student learning experience.

ULO7: Review career and study wishes and options.

General Assessment Information

Project Management Plan and Post Placement Report are to be submitted via Turnitin, Placement Presentation is to be delivered during workshop 3, Supervisor Reports and Log of Hours will be completed by placement supervisors.

Information concerning Macquarie University's assessment policy is available at https://staff.mq.edu.au/work(strategy-planning-and-governance/university-policies-and-procedures/policies/assessment. Grade descriptors and other information concerning grading requirements are contained in Schedule 1 of the Macquarie University Assessment Policy.

To pass this unit, students must demonstrate sufficient evidence of achievement of the learning outcomes and attempt all assessment tasks.

Further details for each assessment task will be available on iLearn, including marking rubrics.

All final grades in the department of Health Systems and Populations are determined by a grading committee and are not the sole responsibility of the Unit Convenor.

Students will be awarded one of these grades plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components. The final grade and SNG that are awarded reflect the corresponding grade descriptor in Schedule 1 of the Assessment Policy.

Extensions for Assessment tasks

Late Submission of Work

All assignments which are officially received after the due date, and where no extension has been granted by the course convenor or tutor, will incur a deduction of 5% for the first day including the actual day on which the work is received, and 5% for each subsequent day. Weekends and public holidays are included. Late penalty is capped at 50%. For example:

WORKSHOP 1: Thursday 3 & Friday 4 March  
WORKSHOP 2: Thursday 7 & Friday 8 April  
WORKSHOP 3: Thursday 5 & Friday 6 May

All readings and resources will be available from the unit’s iLearn page

**Unit Organisation**

This is a ten credit point unit run over a 13 week session. Further information is available via the HSYP8104 online Learning Management System (LMS) iLearn [http://ilearn.mq.edu](http://ilearn.mq.edu).

**Readings**

The readings for each week will be listed in iLearn using the Leganto system. Leganto is the reading list management system, which you can access through your iLearn unit. More information on Leganto is available here: [http://libguides.mq.edu.au/leganto](http://libguides.mq.edu.au/leganto)

Readings marked as ‘required’ are essential for completion in the marked week. Some readings may be included that are marked as ‘recommended’ or ‘secondary sources’, these are additional materials that may be of interest to you. Please use these at your discretion.

**Technology and equipment**

**Off-campus**

To study optimally when off campus you will need to have access to a reliable internet connection to retrieve unit information and at times to join interactive session (eg zoom) or submit assessment tasks via iLearn.

**On-campus**

Teaching rooms are equipped with state of art audio-visual and ICT equipment including internet connection, high quality video cameras and multiple LCD screens.

*Please note that this unit has been altered to accommodate our delivery provisions in compliance with current COVID-19 requirements (Special Circumstance delivery). Learning activities (such as tutorials and other small group learning activities) will be offered on-campus while keeping an online version available for those students who choose to continue their studies online (selected via eStudent).*

**Policies and Procedures**

Macquarie University policies and procedures are accessible from [Policy Central](https://policies.mq.edu.au). Students should be aware of the following policies in particular with regard to Learning and Teaching:
Students seeking more policy resources can visit Student Policies (https://students.mq.edu.au/support/study/policies). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.
