Unit description

This unit gives students the opportunity to test how their finance skills can be applied in practice by exposure to leading industry professionals. The topics selected go beyond traditional corporate and investment finance, and include coverage of the latest issues and real world scenarios. Students will learn first hand from practitioners on current and future trends and skills required in finance to prepare them as they embark on their careers in the industry. The projects completed in the unit are carefully set in conjunction with the industry professionals, giving students the opportunity to show evidence of demonstrated learning and the application of finance knowledge from a broader perspective.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply theories and techniques in finance and be aware of the assumptions and limitations in practice.

ULO2: Evaluate the real world business applications of financial concepts.

ULO3: Work cooperatively in a group to conduct analysis and report the findings and

recommendations.

ULO4: Develop good understanding of contemporary developments in the financial sector.

General Assessment Information

Late submissions of assessments

Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time.

No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

Table 1: Penalty calculation based on submission time

Submission time after the due date (including weekends)	Penalty (% of available assessment task mark)	Example: for a non-timed assessment task marked out of 30
< 24 hours	10%	10% x 30 marks = 3-mark deduction
24-48 hours	20%	20% x 30 marks = 6-mark deduction
48-72 hours	30%	30% x 30 marks = 9-mark deduction
72-96 hours	40%	40% x 30 marks = 12-mark deduction
> 96 hours	100%	Assignment won't be accepted

Other assessment criteria for assessment tasks will be provided on the unit iLearn site.
