Unit description
The unit aims to equip students to undertake financial analysis and the valuation of listed companies. Students are taught the following steps in financial analysis and valuation: (i) evaluating the state of the economy, the industry and a company, (ii) analysing the company’s accounting policies, evaluating its financial position using financial ratios and other analytical tools, (iii) forecasting the company’s financial statements, and (iv) using a variety of techniques to value the company so that an investment decision can be made. Students will develop graduate capabilities in a range of areas, including: analytical skills in information management and analysis; problem-solving skills in sourcing and identifying relevant information and interpreting output; and communication skills through the presentation of group reports.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Undertake group work to perform a financial analysis and business valuation using a structured approach.

ULO2: Interpret annual reports and other related public disclosures and evaluate a listed company’s strategic decisions, accounting policies, financial position and growth
potential.  

**ULO3**: Explain linkages between economic environment, industry, strategy and the company valuation.  

**ULO4**: Examine how financial statements are used in the valuation process.  

**ULO5**: Compare different valuation models and investigate the sensitivity of the valuation to changes in the key input parameters.  

**General Assessment Information**

**Late submission**  
Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time. No late submissions will be accepted for timed assessments – e.g., quizzes, online tests

**Assessed Coursework**  
Assessment Type: Participatory task  
Indicative Time on Task: 20 hours  
Due: Before the start of tutorial class  
Weighting: 10%  

Students must submit homework to the Turnitin available on iLearn before the start of tutorial class at which the student is enrolled. Tutor will randomly select six weeks to mark homework. The best five marks will be recorded. Each homework will be awarded a mark out of 2. To receive 2 marks, student must have made a genuine attempt to homework questions. Where student has made a moderate attempt, 1 mark will be awarded. A mark of 0 will be awarded for a non-satisfactory attempt or a non-submission.  

On successful completion you will be able to:  
- Interpret annual reports and other related public disclosures and evaluate a listed company’s strategic decisions, accounting policies, financial position and growth
potential.

• Explain linkages between economic environment, industry, strategy and the company valuation.

• Examine how financial statements are used in the valuation process.

• Compare different valuation models and investigate the sensitivity of the valuation to changes in the key input parameters.

• the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

Classes

There are 3 hours of teaching per week consisting of one 1.5-hour online lecture and one 1.5-hour face-to-face/online tutorial.

The timetable for classes can be found on the University web site at: http://www.timetables.mq.edu.au/

Changes to tutorial times are managed by e-student. It is not necessary to contact members of staff about tutorial changes. On-line enrolment changes to tutorials will be closed at the end of Week 2 so all changes must be made by then.

Required Texts

Consultation Times

The consultation timetable will be made available on iLearn at the beginning of the session. Consultation will start from Week 3. You are encouraged to seek help at a time that is convenient to you from a staff member teaching on this unit during their regular consultation hours. In special circumstances, an appointment may be made outside regular consultation hours. Students experiencing significant difficulties with any topic in the unit must seek assistance immediately.
## Unit Web Page
Course material is available on the learning management system (iLearn). The web page for this unit can be found at: https://ilearn.mq.edu.au/ from where you need to login to iLearn.
