Unit description

The unit aims to equip students to undertake financial analysis and the valuation of listed companies. Students are taught the following steps in financial analysis and valuation: (i) evaluating the state of the economy, the industry and a company, (ii) analysing the company's accounting policies, evaluating its financial position using financial ratios and other analytical tools, (iii) forecasting the company's financial statements, and (iv) using a variety of techniques to value the company so that an investment decision can be made. Students will develop graduate capabilities in a range of areas, including: analytical skills in information management and analysis; problem-solving skills in sourcing and identifying relevant information and interpreting output; and communication skills through the presentation of group reports.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Undertake group work to perform a financial analysis and business valuation using a structured approach.

ULO2: Interpret annual reports and other related public disclosures and evaluate a listed company's strategic decisions, accounting policies, financial position and growth potential.

ULO3: Explain linkages between economic environment, industry, strategy and the company valuation.

ULO4: Examine how financial statements are used in the valuation process.

ULO5: Compare different valuation models and investigate the sensitivity of the valuation to changes in the key input parameters.

General Assessment Information

Late Assessment Submission Penalty

Unless an application for [Special Consideration](#) has been submitted and approved, a **5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted**, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests, exams, performance assessments, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Assessment Tasks

Name	Weighting	Hurdle	Due
Assessed Coursework	10%	No	Before the start of tutorial class
Assignment	30%	No	Week 7 & 12 (Group report) Week 12 & 13 (Presentation)
