Corequisites BUS301 or MGMT3001
Co-badged status
Unit description This unit provides students with an opportunity to engage with the business community on a variety of contemporary business issues and challenges in an international business (IB) context. The unit requires students to complete two major projects prescribed by industry partners. Students will apply knowledge of international business to real-world IB projects. By the end of the unit, students gain practical knowledge and experience of how to research and analyse real-world international business issues and challenges and develop a deep understanding of how the academic knowledge covered in previous units (particularly MGMT1005, MGMT2002, MGMT3001) can be integrated to tackle real-world IB projects.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Evaluate and integrate international business and management knowledge and skills when developing solutions to practical international business and management problems.

**ULO2:** Critically reflect on real-world experience and contemporary business issues presented by partners from a range of industries.

**ULO3:** Apply problem solving skills in developing strategies and recommendations that

address business problems and challenges.

**ULO4:** Build collaboration and team work skills through partnering in a group project.

## General Assessment Information

### Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
