Unit description
In this unit students will be exposed to the methods of communication from managerial, organisational, and corporate points of view, preparing them to rise to the challenges posed to the manager as a communicator. Students will broaden their knowledge of contemporary communication, in respect to providing feedback, coaching, mentoring and networking. As both leaders and managers play many roles and are required to motivate and lead numerous stakeholders, this unit will teach students to analyse and understand audiences. Whether playing the role of leader, liaison, interpreter, disseminator, advocate, or spokesperson, the unit will help students to employ important factors to consider when communicating in a given role.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

ULO2: Apply communication skills across settings, purposes and audiences.

ULO3: Select, justify and utilise appropriate language and structure to provide a discipline-specific task solution.

General Assessment Information

Late submissions of assessments

Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time.

No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

Table 1: Penalty calculation based on submission time

Submission time after the due date (including weekends)	Penalty (% of available assessment task mark)	Example: for a non-timed assessment task marked out of 30
< 24 hours	10%	10% x 30 marks = 3-mark deduction
24-48 hours	20%	20% x 30 marks = 6-mark deduction
48-72 hours	30%	30% x 30 marks = 9-mark deduction
72-96 hours	40%	40% x 30 marks = 12-mark deduction
> 96 hours	100%	Assignment won't be accepted

Special Consideration

To request an extension on the due date/time for a timed or non-timed assessment task, you must submit a Special Consideration application. An application for Special Consideration does not guarantee approval.

The approved extension date for a student becomes the new due date for that student. The late submission penalties above then apply as of the new due date.
