General Assessment Information

To complete the unit, students are required to complete the placement hours as agreed with their host organisation as well as the assessment tasks for the unit. All assessment tasks must be submitted via links on iLearn.

Late assessment submissions must be submitted through the appropriate submission link in iLearn. No extensions will be granted unless an application for Special Consideration is made and approved. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late. Late submissions will not be accepted after solutions have been discussed and/or made available.

At the end of the placement/internship, some students' host organisations may require them to present to their team, a broader team or a leadership group. The unit content is designed to prepare students for this possibility. This unit is a Professional Practice/Co-op unit with Fitness to Practice requirements.
