Unit description

This unit aims to advance and consolidate the skills and strategies acquired in the Simultaneous Interpreting into LOTE 1 unit. To this end, more difficult speeches and panel discussions that are delivered and carried out in professional settings will be used for intensive practice into LOTE. Students are required to practice interpreting both with text and without text using a combination of coping strategies.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Demonstrate the enhanced skills required for simultaneous interpreting into LOTE.

ULO2: Apply coping strategies required for challenges inherent to simultaneous interpreting into LOTE and manifested in different contexts.

ULO3: Demonstrate a systematic and on-going effort in building world knowledge needed for international, regional and inter-governmental and industry-related

conferences.

ULO4: Critically analyse, evaluate and reflect on your English-to-LOTE simultaneous interpreting performance through individual, peer and group assessment.

ULO5: Acquire a profound understanding of simultaneous interpreting as a life-long practice which requires vigorous and systematic effort on a regular basis.

General Assessment Information

Grade descriptors and other information concerning grading are contained in the [Macquarie University Assessment Policy](#).

All final grades are determined by a grading committee, in accordance with the Macquarie University Assessment Policy, and are not the sole responsibility of the Unit Convenor.

Students will be awarded a final grade and a mark which must correspond to the grade descriptors specified in the [Assessment Procedure](#) (clause 128).

To pass this unit, you must demonstrate sufficient evidence of achievement of the learning outcomes, meet any ungraded requirements, and achieve a final mark of 50 or better.

Further details for each assessment task will be available on iLearn.

Late Submissions

Unless a Special Consideration request has been submitted and approved, a 5% penalty (OF THE TOTAL POSSIBLE MARK) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For example:

Number of days (hours) late	Total Possible Marks	Deduction	Raw mark	Final mark
1 day (1-24 hours)	100	5	75	70
2 days (24-48 hours)	100	10	75	65
3 days (48-72 hours)	100	15	75	60
7 days (144-168 hours)	100	35	75	40
>7 days (>168 hours)	100	-	75	0

Late submission of time sensitive tasks, such as timetabled tests/exams, scheduled performance assessments/presentations, scheduled practical assessments/labs, will be addressed by the unit

convenor in a Special consideration application.

Special Consideration

If you are unable to complete an assessment task on or by the specified date due circumstances that are unexpected, unavoidable, significantly disruptive and beyond your control, you may apply for special consideration in accordance with the [special consideration policy](#). Applications for special consideration must be supported by appropriate evidence and submitted via ask.mq.edu.au.

Delivery and Resources

As a student enrolled in this unit, you will engage in a range of learning activities. Classes in the Translation and Interpreting Program will be delivered in a blended mode. Students will cover weekly pre-recorded lectures made available on iLearn and will attend a tutorial/workshop where activities will allow them how to discuss and apply the concepts dealt with in the lecture to their translation and interpreting practice. Attendance and active participation in the tutorial/workshop are expected.

Materials used for this unit are largely selected from the Internet in general and YouTube and EU Speech Repository in particular. The students are expected to make presentations and speeches in relation to the weekly topic of the tutorials. The learning and teaching strategies used are mainly through face to face interaction between lecturers and students. Additionally, students will be also encouraged to leverage iLearn for communication and participate in group discussion, peer evaluation and group research projects for interpreting assignments.

Unit Schedule

The unit schedule will be circulated in the first week of the semester.

SECTION 7: PROFESSIONALISM

In the Faculty of Medicine, Health and Human Sciences, and in the Department of Linguistics, professionalism is a key capability embedded in all our courses.

As part of developing professionalism, students enrolled in the Translation and Interpreting program are expected to attend all small group interactive sessions including tutorials, workshops, practical and team-based learning activities.

Some learning activities are recorded (e.g., face-to-face lectures), however you are encouraged to avoid relying upon such material as they do not recreate the whole learning experience and technical issues can and do occur. As an adult learner, we respect your decision to choose how you engage with your learning, but we would remind you that the learning opportunities we create for you have been done so to enable your success, and that by not engaging you may impact your ability to successfully complete this unit. We equally expect that you show respect for the academic staff who have worked hard to develop meaningful activities and prioritise your learning by communicating with them in advance if you are unable to attend a small group interactive session.

Another dimension of professionalism is having respect for your peers. It is the right of every student to learn in an environment that is free of disruption and distraction. Please arrive to all learning activities on time, and if you are unavoidably detained, please join activity as quietly as possible to minimise disruption. Phones and other electronic devices that produce noise and other distractions must be turned off prior to entering class. Where your own device (e.g., laptop) is being used for class-related activities, you are asked to close down all other applications to avoid distraction to you and others. Please treat your fellow students with the utmost respect. If you are uncomfortable participating in any specific activity, please let the relevant academic know.

SECTION 8: INCLUSION AND DIVERSITY

Social inclusion at Macquarie University is about giving everyone who has the potential to benefit from higher education the opportunity to study at university, participate in campus life and flourish in their chosen field. The University has made significant moves to promote an equitable, diverse and exciting campus community for the benefit of staff and students. It is your responsibility to contribute towards the development of an inclusive culture and practice in the areas of learning and teaching, research, and service orientation and delivery. As a member of the Macquarie University community, you must not discriminate against or harass others based on their sex, gender, race, marital status, carers' responsibilities, disability, sexual orientation, age, political conviction or religious belief. All staff and students are expected to display appropriate behaviour that is conducive to a healthy learning environment for everyone.
